This is a school zone, you cant
have a Bar within a 200 metre radius.

You cant extend it further.
It will become a big issue
We will handle that when it happens.
You collect your tip and leave.
Theyll have to learn the hard way.
If youre expanding the business,
Yes. What about that?
How about a contract
for supplying chicken?
A contract?
I know someone who can
supply good chicken.
I can help with the supply.
Can you supply chicks?
They should be young and inviting.
Can you manage that?
They have reduced me to a pimp!
Bye, father.
Hey, Sethu.
Why are you in a Bar now?
Are you here for your bribe this early?
Dont irritate me.
Start the bike.
Arent you working today?
Its my time off today.
When have you ever worked?
Ill take you to an important place.
Not to the library, please.
I am from the library.

She wants to fulfill her fathers dream.
This girl seems very young.
She is grown up now.

Please give me the book.
It must be on this book shelf.
This is a big collection.
Hold this.
Ponniyin Selvan
This looks like one of our books.
She has stolen this whole lot
from our library.
What are you saying?
Is it a good collection?
She spends all her pocket money on books.
Hold it.
Did you find yours?
We found it all.
Can I take a picture?
He wants to make a book shelf like this.
Should he give it your name
or your granddaughter's?
It should be in my name.

Which library is he from?
Why the hell did you allow him

What did you tell him?
Why did you tell him?
Crazy old lady!

So, what is your name?
Its Saranya.
You are lying through your teeth.
You are a thief and a liar.

I was just playing the fool
You called her a crazy old lady.
Yes, my grandmother is crazy.
You better come along with us right now
and return all the books.
I have a request.
I will return all the books,
but
Did you borrow her money to buy books
and use it to eat out instead?
I did.
Poor girl.
She just bought something to eat.
Dont forget you are a policeman.
Tell her to return the books.
I am a policeman.
There are many more books missing.
Just three more books.
Where are they?
Ive lent it to my friend.
So, you are running a library of your own.
She borrowed it to read.
What is your friends name?
How will she look?
I dont care about her looks.
Listen, that babe is mine.
Keep quiet.
Weve come past my jurisdiction.
Does it make any difference?
Please wait here.
I cant trust you to come back.
My bike is here
and I will come back for it.
I didnt come here
to look after your bike.
Im here to see your friend.
Her family wont approve
of being seen with a policeman.
I will bring my friend here.
What is wrong

in being seen with a policeman?
I dont know.
Do you think
her friend will be a good match for me?
I am not here
to find you a good match.
They insisted on seeing you.
Is she the beautiful one!
Wheres the book?
Marital Harmony.
You look like a harmonium and you want
to know about Marital Harmony?
How to tame your husband.
Are you married?
Try reading a cookery book instead.
And her family will get upset
if shes seen with a policeman?
One more book is missing.
Thats with another friend.
Is she good looking?
She is plain looking.
When you say she is plain looking,
I know what to expect.
Where does she live?
She lives far away from here.
I dont care how far it is, lets go.
We cant go today.
I am busy tomorrow.
I cant follow you around every day.
You have to take me there now.
I cant.
- Why?
My bike will struggle to go uphill.
My police jeep
will go uphill effortlessly.
Fetch my bag.
Here it is.
You said your friend borrowed it.
Intimacy, sacred or secret.
What are you reading?
Are you Dr. Mathrubootham's fan?

You read Intimacy, sacred or secret!
Face the music.
Oh, god! Grandmother will
bore me to death with her advice.
I have to somehow get out of this.
Was the boy right?
I am a big girl now.
Whats wrong?
That doesnt mean
you give away all books to charity.
They are poor people.
In that case give them some money.
You cant give away all your books.
This was inside your book.
Where are you going?
Thank you for not telling on me.
Is he going to give me money
from his wallet?
Go, meet this person.
Is your name Uma Padmanabhan?
No, it is 'Thengai' Srinivasan!
Go and meet her.
Is he trying to flirt with me?
Are you the famous Uma Padmanabhan?
And, youre Nandhini Ramanujam?

We were bored with life in the city
Gudalur is my hometown.
Sit down.
Sethu told me youre trying to
Yes, I want to read the news on DD

"You are in my heart forever.
"You are the one for me.
"I am a simple man, baby."
"Why do you want me to be single, baby?"
"I am Mr. Clean, baby."
"Why refuse to be my Mrs., baby?"
"Its Monday and the times not good, dear.
To express my love, I fear."
"You are young and arrogant."

"Wont you fall in love this moment?
Were you born to torment?"
"Why did you conceal your beauty?"
"Why should I not appreciate you?"
I don't have to steal anymore.
This is like my own library now.
Stop! You cant come in.
Why?
Sethu has told us not to let you in.
- Why?
If you steal all our books,
I didnt come here to steal books.
I came here to say Thanks
You can hand it over to me.
No way! I will give it only to Sethu.
What?
Dont use that as an excuse to
come in and steal books.
Just accept her Thanks
and check her thoroughly before she leaves.
Will do that.
Sethu has bought this just for you.
Get lost, idiot!
What is it?
I warned you
not to expand the Bar near the school.
You didnt listen.
A man has complained now.
I will lose my job if I
dont take action.
Whos he?
Thulasi Raman,
the Physical Education Teacher.
Go! Ill take care of it.
I might as well beg instead of being
his slave for his measly bribe.
I can't find a place to relieve myself.
Why is the book thief calling me?
What are you doing?
I am on an urgent business.
I saw the urgency.
You saw it?
Enough of looking around
Where are you?

Take a look at WhatsApp.
What could she have sent me?
Damn!
From where did she take this picture?
Why did you click my picture?
For me to look at when I get bored.
You think this is funny?
Dont you have manners?
Dont you have brothers?
I am the only child.
I dont care
how many children your father had.
Delete that photo right now.
- I cant.
Would you have stayed quiet
If youd kept quiet,
How dare you raise your voice
Ill upload it on Facebook.
Whats your problem?
Me?
I came all the way to thank you
And you put up a poster
calling me a thief.
Be ready at 9 pm.
I want to have fun
Why should I get ready?
I cant step out alone.
Even the not-so-beautiful girls
I look like some pretty English chick.
I want you to come along.
My father is a strict PT Teacher.

You just have to say yes and we can marry."
"Gloating over my misery, youve bloated.
But Im a bag of bones, my efforts wasted."
"My dear, youve cast a spell.

"When will you come online on Whatsapp?"
"I wait anxiously from morning
on an empty stomach."
"If you walk away, my heart
with sorrow will burst."
"When you walk away alone,
ghosts will haunt you."
"Love has turned my life a joke."
"My melancholy has people amused."

Whats this?
Who are you?
The teacher dared us to come home
if were men.
I am a man.
I am home.
Who the hell are you guys?
The teacher wanted to shut the Bar down.
Thats why
Ive shut you all out of the house.
Ask him to withdraw the complaint
If you dont withdraw your complaint
before 6 pm...
I will set the whole family ablaze.
What is it?
Do you want to see me
chop your father right here?
Come on, stab him.
Try touching him.
Dont do that.
Where are the keys?
If you have a Bar here ever again,
Ill kill you.
I swear on your mother
Ill kill you.
I've told you not to poke your nose
in other people's business.
See, they've broken your nose now.
Because of you my son has
picked up a fight with these drunkards.
You must have seen it to believe it.
'I'll stab your father right here'
lf you have the damn guts, try it!
Thats my son!
You even lost your ring.
That was the most loving coffee
Thats milk.
A teacher has got you scared

You should call yourself a woman.
Weve spent several lakhs!
Open the place.
Make way. Go back.
Whos Thulasi?
The teacher has done what he said he'd do.
Isnt this ring yours?
How did you get it?
The dead man,
Kandhan had it in his hand.
Hes dead?
Someone killed him and
Why are you changing it to someone?
I am not connected to it in any way
Werent you the one
Come to the police station.
Father
Facing trial under Section 302 I.P.C...
Thulasi Raman is to be sent
Take him.
Father.
Father.
I didn't kill your brother.
I swear I will kill you.
I will kill you for sure.
Stab him now.
You killed my son.
Leave me.
I will kill you.
Where is he?
I dont care what you do,
Ill give you all the comforts here.
I am not here to relax.
That's difficult.
Why are you here now?
What is it?
Rajendran is in your father's block.
Your father is in danger now.
Try to bail him out quickly.
An unintentional threat to kill him
has led to something this big.
You arrange the bail amount,
I'll manage the rest of it.
Don't worry.

Be brave.

This is worth Rs. 275,000.

Could you round that off to Rs. 300,000?

- That's not possible.

Take this too.

No, I'll manage.

Why are you treating me
like an outsider?

I, Thulasi Raman,
teacher at St. Allosius school...
do hereby state that Ill cooperate
with the police in this case.

I will not travel outside
I state this voluntarily
and in full consciousness.

He is out on conditional bail.

Make sure he doesnt get into trouble.

I'll take care of it.

Give me a call if you need anything.

I wont take it.

Are you treating me
like an outsider?

"A sweet breeze wafted through..."

"A tender verse embraced by loves hue."

"To caress both of us, it wafted through."

"Why did it embrace just me though?"

"A sweet breeze wafted through..."

"A tender verse embraced by loves hue."

"To caress just you it wafted through."

"But loves hold crushes
only me though"

"Will this day ever come?

Or will it never be?"

"Countless times I wake up,

"Am I the dew drop?

Are you the suns ray?"

"Would you exude warmth
just right for me to melt?"

"A sweet breeze wafted through..."

"A tender verse embraced by loves hue."

"To caress both of us, it wafted through."

"But loves hold crushes
only me though"

"Youve a heart of gold.

It's as large as this world"
"Theres no measure"
"To say I am your treasure,
"As we get familiar, the beauty of your
face blooms and grows, I am not sated."
"Your loving nature
"As we walk together
"Is it because
you are carrying me in your arms, dear?"
"A sweet breeze wafted through..."
"A tender verse embraced by loves hue."
"To caress both of us, it wafted through."
"But loves hold crushes
only me though"
"Will this day ever come?
Or will it never be?"
"Countless times I wake up,
"Am I the dew drop?
Are you the suns ray?"
"Would you exude warmth
just right for me to melt?"
Please come.
Father is just getting ready
to leave for school.
Whats this?
A suspension order?
He can get back to work
only when proven innocent.
Hes so well respected in school.
I didnt want to give this there.
I am already late for the Zonal Sports meet.
Lets leave.
Why do you look upset?
Try and understand the situation.
What wrong did we do?
My father is heartbroken
about the suspension.
My sister is scared to leave home.
And you guys
are not finding the real murderer.
Dont get worked up.
Wait.
Your fathers ring...
The police need no further proof.

Even if he didnt murder him,
thats what theyll say.
Whats all this?
They found this
at the site of the murder.
Whats this?
A lighter.
Whose is it?
It must be Kandhans.
Are you sure?
Does he smoke?
I dont know.
You dont know?
Kandhan doesnt smoke.
Neither does my dad.
Wont the police check to see
who this lighter belongs to?
Theres a chance
it could be the murderers.
We could get leads
from shops that sell lighters or fill gas.
No one brought this here.
We dont sell this here.
Never seen something like this.
You dont get this in Kumily.
Try Solar Shoppe.
I told you we cant refill gas for this.
Why is everyone asking?
Is it the same model?
Yes, left-handers use it.
Its from abroad.
Someone brought this the other day.
How did he look?
He was tall.
He had coloured eyes.
Can we see the camera footage?
It hasnt been working for a while.
If only the camera was working,
we could have got him.
Lets make him come back here.
What are you saying?
Only we know the camera is not working.
Well let him know theres a camera
installed and that its working.

How?

Hurry up!

The tea will get cold
by the time you come up.

Why dont you come down!

Ginger Tea?

A new twist

to the Kandhan murder case

The murderer is suspected
to be a left-hander. His lighter found.

The police have confidential information about
him visiting a store located at the junction.

'In recent times several crimes have been
captured with the help of security cameras.'

Hence the police have requested all establishments
to install security cameras by the month end.'

Once they zero in on the shop,
they can easily nab the murderer...

believes a source in the police.'

Sethus plan is working.

Who is this source?

Make sure its locked.

Ive troubled you all too much.

Dont say that. If we get hold of
this guy, everything will be fine.

The murderer will want to ensure
the police dont get the footage.

If were right, the murderer will
come here in search of the footage.

Father

You go, catch him.

What happened?

He cannot get away now.

Father!

Sir, look there.

Whats happening there?

Catch him.

Father!

Hes losing blood.

Even before his first wound has healed,
his bail has been revoked.

How can he be put in jail
in this condition?

What wrong did he do?

I dropped it somewhere here.
Is it this?
This is the one.
What is this?
Its a luggage tag used on flights.
I want the list of people
who took this flight.
See if you can spot a tall man
with a brown back-pack.
A lot of them are tall.
Re-wind that a bit.
He looked like this guy.
Are you sure?
Can you zoom in?
This is the guy.
Hes using the phone with his left hand.
He is the guy for sure.
Have you seen this man?
- No, I havent.
You didnt even see the picture.
- I dont remember, sir.
Have you seen this man here?
Did you drop him anywhere near Kumily
on the 23rd?
I dropped him.
Where did you drop him?
- Near the church.
Are you sure?
I had a flat tyre.
He waited for a long while and then left.
The taxi dropped him here.
He must be staying somewhere here.
What are you doing here?
- I am taking pictures.
Who are you?
- I am related to Mr. Mathew.
What do you have in hand?
- Binoculars.
What happened?
- We know where he is.
Based on the flight manifest, we've come to know
that 173 passengers travelled on that flight.
For further investigation
we contacted all the passengers.

A man by the name David
was the only one not reachable.
A man by the same name has checked
in to the Fort Cottage in Kumily.
Do you think we can catch him
if we go there now? -We can.
If these are binoculars,
what are laser view finders?
You've calculated the range
for an Alpha sniper rifle.
You have a 'sniper mark'
on you right elbow.
Are you a left-handed sniper?
I served in the Dogra Regiment for
sixteen years before taking this job.
What is a sniper doing at a graveyard?
He worked as the guard at the graveyard.
He knew something.
Thats why the guy killed him.
Why has he burnt these things...
This looks like a map of Kumily.
He has underlined something.
He has been stabbed with a knife.
The autopsy reports say that the carotid artery
has been severed, leading to blood loss.
Do you think you are James Bond?
Did you want to run your own investigation
and get a promotion?
The guard has been killed,
that landlord was murdered.
At this rate how do we run the station?
What do we say to the bosses?
Did you check the guest register at the cottage?
- I did.
Did you gather details?
- His name is David.
The David at that address
has been dead for three years.
He is staying here
using the dead man's identity.
Loot at him acting innocent.
'I will be happy if Abdul Kamaal takes on the role
of my son and performs my last rites when I die.'
Why has he highlighted

Mr. Mathews foreword?
How is Mr. Mathew connected with this?
Thank you for making it here
at such short notice.
The ISRO Chairman, Mr. Abdul Kamaal
will be here in Kumily in four hours...
to participate in his
teachers funeral.
The Information Bureau has warned him about
threats to his life from some countries.
Despite that, he is adamant about taking part in
the funeral of a man who is his father-figure.
It is our responsibility
to ensure his safety.
I want the police to be updated about every
detail of everyone attending the funeral.
We should have no untoward incident
till the time he leaves.
Seal off all entry and
exit points to Kumily.
No one should enter or leave
without your knowledge.
'A boy who studied here
What are you doing in this rain?
Unlike what you all believe
Mr. Mathew didnt die a natural death.
He has killed him.
What are you saying?
He knows Abdul Kamaal will definitely
come here if Mr. Mathew dies.
He has made this entire plan
to kill Abdul Kamaal.
Its not that easy to get near him.
Hes got a seven-tier security cover.
You cant get within
1.5 kilometres of him.
Then, he will kill him from beyond that.
We have to find him
before Abdul Kamaal gets here.
Else, my father
can never be proved innocent.
Ill call you later.
Do we have blood donors on standby?
- We do, sir.

I want to go into the graveyard.
Whose house is that?
Whose house is that?
That is Bar owner Kandha's house.
Did he kill Kandhan
to get access to this house...
They have crossed the fourth checkpost.
At an age when I could barely walk,
you encouraged me to dream of flying.
I was able to accomplish all this
only because of you.
Its been 22 years
since I left this place...
I am sorry I never came back.
The world must consider a father
fortunate to have such a worthy son...
a sons duty to a father lies
in leading a life like that.
In line with that, I'll be happy if Abdul
Kamaal performs my last rites as my son.'
'That house on the Kerala border was the
vantage point for killing Abdul Kamaal.'
'So, I needed that house.'
I will kill you.
'To divert the police's attention, I made use of
the fight between the Bar owner and the teacher.'
What are you doing here?
What is a sniper doing at a graveyard?
An assassination attempt
was stopped by under-cover operations
Investigations reveal that the sniper,
discharged from the Indian Navy.
Mr. Thulasi Raman,
teacher at St. Allosius school...
who was facing a murder
charge is now acquitted.
Since there is involvement
of external forces
Hope the children are coming.
Where is father?
Look around.
He must be here.
Careful!
Sorry, my children interrupted me.

Arent we paying taxes too?

Why wont you clear the garbage here?

You better clear the garbage regularly.
