Glee: The 3D Concert Movie

By Unknown

I love Glee!
My favorite character would be Rachel,
Yeah, the best character is Rachel,
Because she was very
Barbra Streisand-esque,
Well, I'm warming up before the show,
I generally start with a lukewarm cup
of hot water with lemon and honey,
It can't be too hot
because it will hurt your vocal chords,
My favorite character is Finn,
Blaine, He is so adorable,
I just love him to death,
My favorite character is Brittany,
because she's so dumb,
But she's so pretty
and she can dance so well,
I think it has a lot to do with my hair,
because look at how long it is
and how beautiful it is,
My favorite character is Sam
because he's really cute,
Finn!
I think the hottest character
is definitely Santana,
I ingest Latisse,
It's normally supposed to be applied
on your lids to make your lashes grow,
I just took it one step further
and started drinking it,
- Puck! Puck!
- Rachel! Rachel!
- Blaine, Blaine,
- Actually, Blaine,
- Sam, Sam,
- No, Puck, Puck,
He's so funny, He's super, super cocky
and just totally into himself
I heard that this haircut might make me
go a little faster,
have a little edge on the competition,
And, you know, the ladies like something
to grab on to, time and time again,
Artie, for me, because he makes

looking geeky look so cool,
It's crazy because I can't believe that
people actually like us enough
that we could make a 3-D movie,
- I'd have to go with Blaine,
- Definitely Blaine,
We've gone from Lima, Ohio,
to Dublin, Ireland,
And we've done four countries,
And it's just been an amazing experience,
That means my face is going to be in 3-D,
And my pimples,
- Sam!
- Finn,
Everyone is my favorite,
I can't choose just one,
I like Quinn because she's really hot,
I need more...
Could you turn the camera off? I need...
Oh, God, 3-D?
Kurt is my favorite character,
I love his sassiness and how he's not afraid
to tell it exactly how it is,
Thank you for loving me,
But I want to thank everybody
who has been with me since day one,
All my Glee Club members and Mr, Schue,
We made it,
Don't stop
a singer in a smoky room
a smell of wine and cheap perfume
For a smile they can share the night
It goes on and on and on and on
Strangers waiting
Up and down the boulevard
Their shadows
Searching in the night
Streetlight people
Living Just to find emotion
Hiding somewhere
In the night
Working hard to get my fill
Everybody wants a thrill
Payin' anything to roll the dice

Just one more time
Some will win, some will lose
Some were born to sing the blues
Oh, the movie never ends
It goes on and on and on and on
Don't stop believin'
Hold on to that feelin'
Streetlight people
Don't stop believin'
Hold on to that feelin'
Streetlight people
Don't stop
What's up, everybody?
How are you doing tonight?
Hi, everybody!
Sing it out
Boy, you got to see what tomorrow brings
Sing it out
Girl, you got to be what tomorrow needs
For every time
That they want to count you out
and use your voice every single time
You open up your mouth
Sing it for the boys, sing it for the girls
Every time that you lose it
Sing it for the world
Sing it from the heart
Sing it till you're nuts
Sing it out for the ones
that'll hate your guts
Sing it for the deaf
Sing it for the blind
Sing about everyone that you left behind
Sing it for the world
Sing it for the world
Cleaned-up corporation progress
Dying in the process
Buy yourself the motivation
Generation nothing
Nothing but a dead scene
Product of a white dream
I am not the singer that you wanted
But a dancer
I refuse to answer

Talk about the past, sir
Wrote it for the ones
who want to get away
Keep running
Sing it for the boys
Sing it for the girls
Every time that you lose it
Sing it for the world
Sing it from the heart
Sing it till you're nuts
Sing it out for the ones
that'll hate your guts
Sing it for the deaf
Sing it for the blind
Sing about everyone that you left behind
Sing it for the world
Sing it for the world
We got to see what tomorrow brings
Sing it for the world
Sing it for the world
Boy, you got to be what tomorrow needs
Sing it for the world
Sing it for the world
Guys, we've got free Glee tattoos,
Free Glee tempos,
I think it's made me accept myself better,
I like performing,
but I was never comfortable doing it,
I have three daughters, two boys,
and we all watch Glee every week,
and it gave us all something in common.
Everybody watches Glee.
It doesn't matter what race, gender,
what your sexuality is,
Anybody can be a Glee fan,
It inspires me that you could write
your own life story
no matter who you are,
Glee has definitely changed the way
that I look at certain groups of people,
and short people and tall people
and fat people and skinny people,
really popular and nerdy people,
The clique that I hang out with

is the Jock clique.
I guess it could be the popular clique, also.
I would say I am a real life Cheerio,
but I'm not a stuck-up Cheerio.
But I am a Cheerio
because I am a cheerleader,
Here we go, Ready? Five, six, seven, eight,
One, two, three, four, five, six, seven, eight,
Coach Page, she is Sue Sylvester.
Let's do it for Sue,
Kanae is our secret weapon,
and when we went to Nationals,
people underestimated our squad
because we had her,
And she was the one
who actually saved our routine,
She can go pretty high,
She's small, but she's like a little ball,
I would say I'm popular
because I am different.
Everyone does know me. I stand out.
Go, team Glee!
I know you know this one,
Rocks in the sky! Get them up, Let's go!
Bounce with me, Bounce with me!
Hey! Hey!
Up top, Let's go!
Yeah, yeah, I'm out that Brooklyn
Now I'm down in TriBeCa
right next to De Niro
But I'll be hood forever
I'm the new Sinatra
and since I made it here
I can make it anywhere
Yeah, they love me everywhere
I used to cop in Harlem
all of my Dominicanos
right there up on Broadway
Pull me back to that McDonalds
Took it to my stashbox, 560 State Street
Catch me in the kitchen
Like a Simmons with them Pastries
Eight million stories out there in it
Naked City, it's a pity

Half of y'all won't make it
Me, I got to plug Special Ed I Got It Made
If Jeezy's payin' LeBron
I'm payin' Dwyane Wade
Three-dice Cee-lo
Three-card Monte
Labor Day Parade
rest in peace, Bob Marley
Jigga, I be Spiked out
I could trip a referee
Tell by my attitude that I'm most definitely
From New York
Concrete Jungle where dreams are made of
There's nothin' you can't do
Now you're in New York
These streets will make you feel brand new
Big lights will inspire you
Let's hear it for New York
New York, New York
One hand in the air for the big city
Street lights, big dreams, all lookin' pretty
No place in the world that could compare
Put your hands in the air
Everybody say, yeah
Yeah, yeah, yeah
New York
Concrete Jungle where dreams are made of
There's nothin' you can't do
Now you're in New York
These streets will make you feel brand new
Big lights will inspire you
Let's hear it for New York
New York, New York
It's your boy!
My favorite character
would have to be Brittany,
- Brittany,
- Brittany,
I hope they have
an overwhelming sensation
about my boobs in Slave
because they are 3-D
and they look really good,
My favorite character is Brittany S, Pierce,

I'm the biggest Glee fan in the world,
I'm getting a Glee tattoo,
My cat's name is Santana,
my dog's name is Brittany,
I'm wearing Glee shoes,
I have a Cheerios jacket,
my entire house is Glee,
and my car was named Quinn
until I crashed it,
This is Brittany's hat
from Blame It On the alcohol).
I have definitely made friends
because of Glee,
It's changed my whole social life.

And it's off,

It's still on,

- Am I a girl?

- Yes,

- Am I a student?

- No,

- Am I Gwyneth Paltrow?

- No, not in this,

- Am I a guy?

- No,

- A girl?

- Yes!

- Ready, Kackie?

- Go,

- Am I blonde?

- Yeah,

- Am I Quinn?

- No,

- Am I Brittany?

- Yeah!

- I got the Brittany card?

- Yes,

Okay, I can't believe

I just got the Brittany card!

- Okay, What did she do?

- I don't care, I got the Brittany card!

I've never got it on my own

without cheating,

It's a huge thing for me, honestly,

to have people over and in my house

because I never had that before.
It makes me feel normal.
I was 15 years old
when I was diagnosed with Asperger's,
It's common to have anxiety, panic,
any kind of just "meltdowns,"
is what we usually call them,
The more you get to know me,
the more obvious it is.
It's just like this crazy madness
in my mind,
But I do have one thing that is my
pick-me-up and gets me through it,
and that's Brittany S. Pierce.
Brittany has, what we like to call,
'"The Brittany Effect"' on me.
When I see a Brittany video,
it's like something switches in me,
and I'm happy,
I am the biggest Brittany fan.
I will fight for that.
There's no doubt about it!
My dog is named Brittany, Come on!
I know I may be young
But I've got feelings, too
and I need to do what I feel like doing
So let me go, and Just listen
all you people look at me
like I'm a little girl
Well, did you ever think it'd be okay
for me to step into this world?
always saying, Little girl
don't step into the club
Well, I'm Just tryin' to find out why
because dancing's what I love, yeah
Get it, get it
Get it, get it
Get it, get it
Get it, get it
Get it, get it
Get it, get it
I'm a slave for you
I cannot hold it
I cannot control it

I'm a slave for you
I won't deny it
I'm not trying to hide it
I know I may come off quiet
I may come off shy
But I feel like talking
Feel like dancing
When I see this guy
What's practical is logical
What the hell, who cares?
all I know is I'm so happy
when you're dancing there
Baby
Don't you wanna dance upon me
To another time and place
Baby
Don't you wanna dance upon me
Leaving behind my name and age
Get it, get it
Get it, get it
Get it, get it
Get it, get it
Get it, get it
Get it, get it
I'm a slave for you
Here we go now
I cannot hold it, I cannot control it
Do you like the way I move?
I'm a slave for you
Here we go
I won't deny it, I'm not trying to hide it
Like that?
Like that?
I'm working on a new technique
to where more women have the ability
to get into the Puckerman Zone here,
Pretty popular with the moms,
so, you know,
I clean their pooI, give them a discount,
help them out, We're working hard,
Hey!
I was Just a skinny lad
Never knew no good from bad
But I knew love before I left my nursery

Left alone with big fat Fanny
She was such a naughty nanny
Hey, big woman
you made a bad boy out of me
I've been singing with my band
across the water, across the land
I've seen ev'ry blue-eyed floozy
on the way, hey
But their beauty and their style
Went kind of smooth after a while
Take me to them lardy ladies every time
Come on!
Oh, won't you take me home tonight?
Oh, down beside your red firelight
Oh, and you give it all you got
Fat bottomed girls
You make the rockin' world go round
Fat bottomed girls
You make the rockin' world go round
Get on your bikes and ride!
Finn Hudson on the drums!
Barbra Streisand is going to be
here tonight to hear you sing,
How do you feel about that?
Did they tell you anything about this?
You seem overwhelmed,
- Which song...
- I knew she would come,
I did,
Which song on the tour
is the most demanding for your voice?
I mean, I've been singing
Don't rain On My Parade
since I was about two years old,
My dad's played it for me
when I was in my birth mother's womb,
And I'm still singing it to this day,
And I knew Barbra would show up,
Don't tell me not to live
Just sit and putter
Life's candy
and the sun's a ball of butter
Don't bring around a cloud
To rain on my parade!

Don't tell me not to fly
I've simply got to
If someone takes a spill
It's me and not you!
Who told you you're allowed
to rain on my parade?
I'll march my band out
I'll beat my drum
and if I'm fanned out
Your turn at bat, sir
at least I didn't fake it
Hat, sir
I guess I didn't make it
But whether I'm the rose
of sheer perfection
a freckle on the nose of life's complexion
The cinder
or the shiny apple of its eye
I gotta fly once
I gotta try once
Only can die once, right, sir?
Life is Juicy
Juicy, and you see
I've gotta have my bite, sir
Get ready for me, love
'Cause I'm a comer
I simply gotta march
My heart's a drummer!
Don't bring around a cloud
To rain on my parade!
I'm gonna live
and live now
Get what I want
I know how
One throw for the whole shebang
One throw
That bell will go clang
Eye on the target and wham
One shot, one gunshot and bam
Hey, everybody!
Here I am
I'll march my band out
I'll beat my drum
and if I'm fanned out

Your turn at bat, sir
at least I didn't fake it
Hat, sir
I guess I didn't make it
Get ready for me, love
Because I'm a comer!
I simply got to march
My heart's a drummer
Nobody
No, nobody
Is gonna
rain on my
Parade

TLC:

Oh, baby
Oh, baby

Hey!
Pretty young thing
Thank you, Mike!
I'm a very Judgmental person,
and at first glance
I could definitely write somebody off.
And Glee has taught me
that everybody has a story,
I think that we're the maJority.
We're the quirky, weird kids.
We don't all look the same way.
I've been the shy kid always,
And especially Kurt being so out
and being able to just be him,
and be trendy and fashionable,
it really helped me kind of
want to Just be me a little bit more.
I can connect with Kurt
on a very personal level.
I came out when I was in eighth grade,
And I'm like, "I can go through
the same thing as he does,"
So it's like reaI life,
Well, in the first semester of eighth grade,
my whole life changed dramatically,
I did not come out by choice at all,
I had a Journal.
My Journal
was someone that wasn't going
to Judge me, no matter what I told it.
It would Just listen.
I had this crush on this guy named Brian.
He had the most gorgeous eyes ever,
I wrote many letters to him
that I would never give him,
It would start off with, "Brian, hi,
"I know we don't talk very often,
"but I've liked you
since the seventh grade,"
Brian found out that I had a crush on him
because my best friend at the time
took my Journal,
and set it on his desk during class.
And he just opened it

and just started reading everything,
Everything,
And I was so embarrassed,
ain't no way
For me to love you
If you won't let me
No
I know that a woman's duty
Is to help and love a man
and that's the way it was planned
I said stop trying to be
Someone you're not
and if you need me to love you
Say, say you do
Oh then, baby, baby
Baby, don't you know that
I need you?
It ain't no way
How y'all doing over here?
It ain't no way
What about back here?
It Just ain't no way, baby
Over here?
It ain't no way, baby
It ain't no way
For me to love you
If you won't
Let me
Thank you for letting me
sing for you tonight! Have fun!
Jessie is a friend
Yeah, I know he's been
a good friend of mine
But lately something's changed
That ain't hard to define
Jessie's got himself a girl
and I want to make her mine
and she's watching him with those eyes
and she's lovin'him with that body
I Just know it
and he's holding her in his arms
Late, late at night
You know
I wish that I had Jessie's girl

I wish that I had Jessie's girl
Where can I find a woman like that?
Like Jessie's girl
I wish that I had Jessie's girl
Where can I find a woman
Where can I find a woman like that?
and I'm lookin' in the mirror all the time
Wondering what she don't see in me
I've been funny
I've been cool with the lines
ain't that the way love supposed to be?
Tell me
Where can I find a woman like that?
Like Jessie's girl
I wish that I had Jessie's girl
I want Jessie's girl
Where can I find a woman like that?
Like Jessie's girl
I wish that I had Jessie's girl
I want, I want Jessie's girl
Well, sometimes I go out by myself
and I look across the water
and I think of all the things
What you're doing
and in my head I paint a picture
'Cause since I've come on home
Well, my body's been a mess
and I've missed your ginger hair
and the way you like to dress
Won't you come on over
Stop makin' a fool out of me
Why don't you come on over, Valerie?
Valerie
Valerie
Valerie
Well, sometimes I go out by myself
and I look across the water
and I think of all the things
What you're doing
and in my head I paint a picture
'Cause since I've come on home
Well, my body's been a mess
and I've missed your ginger hair
and the way you like to dress

Won't you come on over
Stop makin'a fool out of me
Why don't you come on over, Valerie?
Valerie
Valerie, Valerie
Valerie
Why don't you come on over, Valerie?
- Kanae!
- Coach!
How we doing today?
- Good, How are you?
- I'm doing fine,
- I wanted to bring these for you,
- Thank you,
Because you were nominated
for kind of a big deal,
Prom is tonight, and I'm nominated
in the top five for Prom Princess,
And I really hope I make it and I win,
Are you nervous?
Yeah, I'm the only cheerleader in top five,
Isn't that crazy?
I'm so excited,
You haven't showed me
a picture of him yet,
I was like, "What?"
He's cute,
This year, I'm going to prom
with Reed Cook.
He's known for just being fun.
and he's a football player.
He's of average stature.
Yeah, he's handsome,
I don't usually go to dances
with average-sized guys.
I usually go with a little person.
I was looking for a date to prom
and I didn't know who to ask,
And Kanae has been telling me, "Coach,
I don't have anybody to go to prom,"
Because I was like,
"It would be fun to go with him,"
I was just throwing it out there
as, like, "Wouldn't that be cool?"

Thinking it would never, ever happen,
artie, he's in a wheelchair,
he's got two girls.
Finn and Rachel, she's a nerd,
he's a Jock, it worked out.
Puckerman and Zizes, she's big,
he doesn't care. He likes her.
and Janae, she's small, but I don't care.
I don't think that should matter.
She's just a fun person to be around,
I was kind of afraid to ask her.
I was nervous,
I didn't know if she'd say yes or no,
Just one day during the break,
I decided, "If I'm going to do it,
I've got to do it right now. "
and Reed came walking up.
I was just like, "I think it might happen. "
and he got down on one knee,
and he just asked me to prom
right then and there.
She was... I don't know.
She was surprised, definitely surprised.
She didn't know if I was serious or not.
Until I was like,
"Yeah, will you go to prom with me?"
Said it a couple of more times, but...
I was just like, "Yeah,"
Because I was so nervous, also,
I never thought I had any chance
in the world to have him ask me to prom.
Do you ever feel like a plastic bag
Drifting through the wind
Wanting to start again?
Do you ever feel
Feel so paper thin
Like a house of cards
One blow from caving in?
Do you ever feel already buried deep
Six feet under screams
But no one seems to hear a thing?
Do you know
That there's still a chance for you?
'Cause there's a spark in you

You Just gotta ignite the light
and let it shine
Just own the night
Like the Fourth of July
Cause, baby, you're a firework
Come on, show 'em what you're worth
Make 'em go
Oh, oh, oh
as you shoot across the sky
Baby, you're a firework
Come on, show 'em what you're worth
Make 'em go
Oh, oh, oh
as you shoot across the sky
Boom, boom, boom
Even brighter than the moon, moon, moon
It's always been inside of you, you, you
and now it's time to let it through
Baby, you're a firework
Come on, show 'em what you're worth
Make 'em go
Oh, oh, oh
as you shoot across the sky
'Cause, baby, you're a firework
Come on, show 'em what you're worth
Make 'em go
Oh, oh, oh
You're gonna leave 'em goin'
Oh, oh, oh
Even brighter than the moon, moon, moon
Boom, boom, boom
Even brighter than the moon, moon, moon
Say thank you
Thank you!
Say thank you
Thank you
Thank you
Thank you to all our fans
We love you
Even though this was not planned
I want to be a Warbler really bad,
And I would potentially shave
my hair off so I could be a Warbler,
I love all of them so much,

but my favorite is definitely Blaine,
I would have to say Blaine,
I love Blaine,
- Why?
- He's the man!
Blaine Anderson,
My favorite character is Blaine, period,
I feel kind of discouraged that
I've auditioned for solos against him
six times now,
- Blaine, definitely,
- Kurt, Kurt,
- Blaine, Sorry,
- Kurt,
Hey, man, when your front man's that guy,
you've got to roll with the punches,
We're comfortable with ourselves,
so it's okay,
I'm confident in myself,
- It's definitely Kurt,
- It's Blaine,
Go, Blaine!
My four-year-old daughter
loves Kurt and Blaine so much
that she wants them to be her two dads,
My favorite character is Blaine,
Hi, Blaine, I'm the Mini Warbler,
You make me
Feel like I'm living a teenage dream
The way you turn me on
I can't sleep
Let's run away and don't ever look back
Don't ever look back
Let's go all the way tonight
No regrets
Just love
We can dance until we die
You and I
We'll be young forever
You make me
Feel like I'm living a teenage dream
The way you turn me on
I can't sleep
Let's run away and don't ever look back

Don't ever look back
I might get your heart racing
in my skin-tight Jeans
Be your teenage dream tonight
How are we all feeling this evening?
Let's hear you,
Sing along if you know it, Let's go!
You make me feel
Like I'm living a
Teenage dream
The way you turn me on
I can't sleep
Let's run away and don't ever look back
Don't ever look back
No, no, look at me
Just one touch
Now, baby, I believe
This is real so
Don't ever look back
Don't ever look back
I might get your heart racing
in my skin-tight Jeans
Be your teenage dream tonight
Let you put your hands on me
in my skin-tight Jeans
Be your teenage dream tonight
Thank you so very much,
Let's hear it for the
Dalton Academy Warblers!
This next song is for all the lovers
in the house tonight,
Enjoy,
You'd think that people
would have had enough of silly love songs
But I look around me
and I see it isn't so
Oh no
Some people wanna fill the world
with silly love songs
and what's wrong with that
I'd like to know
'Cause here I go
again
I love you

I love you
I can't explain
The feeling's plain to me
Say can't you see?
ah, she gave me more
She gave it all to me
Say can't you see?
Love doesn't come in a minute
Sometimes it doesn't come at all
I only know that when I'm in it
It isn't silly
Love isn't silly
Love isn't silly at all
Not at all
All right, I want you to sing along with me,
It's three words, very easy, It goes like this,
I love you
Let's hear it, Your turn,
I love you
Keep it going, let's sing together,
This is beautiful,
I can't explain
The feeling's plain to me
Say can't you see?
ah, she gave me more
She gave it all to me
Say can't you see?
right, right, turn off the lights
We're gonna lose our minds tonight
What's the dealio?
I love when it's all too much
00 a. m. turn the radio up
Where's the rock and roll?
Party crasher
Penny snatcher
Call me up if you a gangsta
Don't be fancy
Just get dancey
Why so serious?
So raise your glass if you are wrong
In all the right ways
all my underdogs
We will never be, never be
anything but loud

and nitty gritty
Dirty little freaks
Won't you come on and come on
and raise your glass
Just come on and come on
and raise your glass
Just come on and come on
and raise your glass
Just come on and come on
and raise your glass
Oh, my glass is empty
That sucks
So if you're too school for cool
and you're treated like a fool
You can choose to let it go
We can always
We can always
Party on our own
So raise your
So raise your glass if you are wrong
In all the right ways
all my underdogs
We will never be, never be
anything but loud and nitty gritty
Dirty little freaks
So raise your glass if you are wrong
In all the right ways
all my underdogs
Oh we will
anything but loud
and nitty gritty
Dirty little freaks
Won't you come on and come on
and raise your glass for me
raise your glass
For me
After class, he rushed out of class,
He was the first one out,
And he took
the notebook with him, actually,
He shared my Journal with everyone.
I felt like everyone was looking at me
differently already.
They all knew, It spread like wildfire,

And when I heard that, I never
wanted to come back to the school,
And that was on a Monday,
at the end of the day, I got my Journal back,
and I wanted to rip it up
because I didn't want my family
to find out about me.

But I Just thought they would still find it,
so I decided to burn it instead.

That's when I became very bottled in,
even when people teased me and
made fun of me throughout the year.

And, it's just hard
because it's hard to deal with it, It's hard,
Kurt taught me a lot because he was
the only out kid at his school.

and he was proud.
and Just like in the prom episode,
he did go off running,
but he came back,
and he held his head up and smiled.

The sun is shining

Come on get happy

- Shout it now, there's no one
- The lord is waiting
- Who can doubt it now
- To take your hand

Shout halleluJah

So let's tell the world

and Just get happy

about it now

- We're going to the promised land
- Happy days are here again

We're heading across the river

Soon your cares will all be gone

There'll be no more

From now on

From now on

- Forget your troubles
- Happy days
- and Just get happy
- are here again
- You better chase
- The skies

- all your blues away
- above are clear again
- Shout halleluJah
- So let's sing a song
and Just get happy
Of cheer again
- Happy times
- Happy times
- Happy nights
- Happy nights
Happy days
are
Here
again
Is it true that you told Mercedes
that you sing better than her?
Yes, because I do,
But that's okay,
Mercedes, what do you think about this?
She doesn't have to answer that
if she doesn't want to,
Well, I'm going to lock her in a closet,
I mean, who even would try?
Do you see her?
- Is it war, RacheI?
- No,
She might act like she's all nice
and fun-spirited and whatnot,
I can't even say these words
because my ears are too innocent,
I was minding my own business,
I just decided to go for a stroll
on stage, sing a song,
When, out of nowhere
a woman that looked like
she should have been caged in the zoo
had somehow escaped and grabbed me
with her giant bear hands,
You wanna make out?
Brittany, are you flirting with my man?
Tina,
I just want to push her,
She doesn't want to get a smackdown,
She's afraid of the wrath,

She knows what I've done to people,
I've beaten you up, I've beat her up,
It's kind of crazy,
I thought I would be super famous,
And it happened,
I'm just really thankful because
somebody has to compete with Kurt,
Everybody's got a dream,
And this is mine,

Dance

You can dance if we want to

You can leave your friends behind

'Cause your friends don't dance

and if they don't dance

Well they're no friends of mine

I say we can go where we want to

a place where they will never find

and we can act like we come

From out of this world

Leave the real one far behind

and we can dance

Come on!

We can go when we want to

The night is young and so am I

and we can dress real neat

From our hats to our feet

and surprise 'em with the victory cry

I say we can act if want to

If we don't, nobody will

We can act real rude

and totally removed

and I can act like an imbecile

I say we can dance

We can dance

Everything's out of control
We can dance
We can dance
We're doing it from wall to wall
We can dance
We can dance
Everybody look at your hands
We can dance
We can dance
Everybody's takin' the chance
Up top!
It's safe to dance
Well it's safe to dance
It's safe to dance
Come on!
We can dance if we want to
We've got all your life and mine
as long as we abuse it
Never gonna lose it
Everything'll work out right
I say we can dance
We can dance
Everything's out of control
We can dance
We can dance
We're doing it from wall to wall
We can dance
We can dance
Everybody look at your hands
We can dance
We can dance
Everybody's takin' the chance
Come on!
It's safe to dance
Well, it's safe to dance
It's safe to dance
'Cause it's safe to dance
It's safe to dance
Sing it!
It's safe to dance
It's safe to dance
It's safe to dance
High school guys,
they're kind of self-conscious.

And I'm very short,
and so it's like, why take me
when you can take this beautiful
5'4" tall, blonde girl? You know?
Come on, two steps to your left,
All right, guys,
Okay, all the girls in?
All right, we're set,
I'm excited because
Reed had enough courage to ask me.
and he's not self-conscious about it.
And he's like, "Yeah, I'm taking a dwarf,
We're going to have fun,"
We honestly danced the night away.
It was just fun
because I dance like a maniac,
And so does Reed, actually,

It's 10:

until they announce Prom Princess,
Oh, no, Okay, now you have me nervous,
They lined us up,
and we were standing backstage.
And my stomach, like,
kind of turned into knots
and I just got butterflies.
And, last but not least,
we have Anthony Banas and Kanae Meraz,
And your Prince and Princess are...
Haden Barrow and Kanae Meraz,
I was really shocked,
And so, I was just like,
"Did they mess up, or is that actually me?"
And then they came
and they put it on my head,
and I was like, "Oh! It's me!"
Congratulations, guys,
She has tons of friends.
and I have absolutely no idea
why nobody
who is an average-sized person
has never taken her to a dance.
But Reed didn't think twice.
He absolutely didn't think twice.

I think, for the first time,
he proved to her
that people see her as just her,
not as a little person.
I guess you could say
Glee has changed my life,
because it's opened my eyes
that people are different.
And I'm like, "I have to remember that,"
Because it's like, I know I'm different,
but I'm not realizing that everyone else
is different around me, also,
I'm lucky I'm in love
With my best friend
Lucky to have been where I have been
Lucky to be coming home again
They don't know how long it takes
Waiting for a love like this
Every time we say goodbye
I wish we had one more kiss
I'll wait for you
I promise you
I will
I'm lucky I'm in love with my best friend
Lucky to have been where I have been
Lucky to be coming home again
Lucky we're in love in every way
Lucky to have stayed
Where we have stayed
Lucky to be coming home someday
When I was a little girl I had a rag doll
Only doll I've ever owned
Now I love you Just the way
I loved that rag doll
But only now my love has grown
and it gets stronger
In every way
and it gets higher
Day by day
Do I love you
My, oh my
river deep
Mountain high
Yeah, yeah, yeah

If I lost you
Would I cry
Oh, how I love you, baby
Baby, baby, baby
I love you, baby
Like a flower loves the spring
and I love you, baby
Like the robin loves to sing
and I love you, baby
Like a school boy loves to play
and I love you, baby
river deep, mountain high
Oh, baby
Oh, baby
Oh, baby
Do I love you
My, oh my
river deep
Mountain high
Yeah, yeah, yeah
If I lost you
Would I cry
Oh how I love you, baby
Baby, baby, baby
Mercedes,
Do you hear the sweet sound
of all of that applause for me?
You know, that's really been
my favorite part about this tour,
because the fans have spoken,
And I am now officially
the sexiest member of the Glee Club,
Not so fast, hot cheeks,
Give it up for Holly Holliday!
Hey, is anybody here
in the mood for a little Cee Lo?
Because I know I am,
Hit it!
I see you driving 'round town
with the guy I love
and I'm like
Forget you
I guess the change in my pocket
wasn't enough

I'm like
Forget you
Yeah I'm sorry I can't afford a Ferrari
But that don't mean I can't get you there
I guess she's an Xbox and I'm more an atari
But the way you play your game ain't fair
I pity the fool that falls in love with you
Oh, she's a gold digger
Just thought you should know it
I've got some news for you
Yeah, go run and tell your little girlfriend
I see you driving 'round town
with the guy I love
and I'm like
Forget you
I guess the change in my pocket
wasn't enough
I'm like forget you
and forget her, too
I said if I was richer I'd still be with ya
- Ha, now ain't that some shh
- ain't that some shh
and although there's pain in my chest
I still wish you the best
With a forget you
Now, baby, baby, baby
Why d'you wanna, wanna hurt me so bad
So bad, so bad, so bad
I tried to tell my mamma but she told me
This is one for your dad
- Your dad, your dad, your dad
- Yes, she did
Yes, she did
Why
Why
Why, baby
I love you
I still love you
I see you driving 'round town
with the guy I love
and I'm like
Forget you
Forget you
I guess the change in my pocket

wasn't enough
I'm like forget you
and forget her, too
I said if I was richer I'd still be with ya
- Now ain't that some shh
- ain't that some shh
and although there's pain in my chest
I still wish you the best
With a forget you
Let's go get some tacos,
At the time in my life
when I got into Glee, it was just hard,
It was dealing with losing my father,
It was dealing with the being different,
and Just so many things were happening.
And she kind of just popped into my life
when I needed someone,
when I Just felt so negative
and down on myself.
When I met her in person,
she fully embraced me and my quirks,
And she sat there,
and she held my hands
and listened to me talk to her.
I never felt more understood
than in that moment
when I looked her in the eye
and had this conversation with her,
And it was that moment I really wanted
to change and be a better person,
and be a positive, happy person
because I looked at this girl
and looked at what she had done
for me in such a short time,
and knew I want to be like her,
and I want to be a positive light
in peoples' lives,
I think I have to cry,
Oh please
Say to me
You'll let me be your man
and please
Say to me
You'll let me hold your hand

Hi,
I wanna hold your hand
I wanna hold your hand
and when I touch you
I feel happy inside
It's such a feeling
That my love
I can't hide
I can't hide
I can't hide
Yeah, you
You got that something
I think you'll understand
Hi, sweetie,
When I
Say that something
I wanna hold
Your hand
I wanna hold your hand
I wanna hold your hand
I wanna hold your hand
I transferred to a new school
when I was a Junior in high school,
and I got into the theater department,
and I started doing musicals.
The theater department here
is like Glee Club
because we're a family
just like Glee Club is a family,
And all of us are different
in some sort of way,
and we all Just come together as one.
I actually did wish that I had someone
to look up to like Kurt.
I feel like if he were there, like, out,
when I was in eighth grade,
I could be like, "Look at him being gay,
and he still gets to live his dream. "
But now I'm 19-years-old
and I'm all grown up,
and I completely accept myself.
And I'm a person with no secrets now,
I am open to the world, everyone,
If you ask me if I'm gay,

I am proud to stand up and say that,
"Yes, Trenton Thompson, I am gay! "
And I couldn't do that before,
And now it's like I have no secrets,
So if I write something down
and someone finds it,
it's like, "You could have just asked,"
I'm really not a big fan of my nose,
ever since I was really young,
For me it was either this or
"Little One," because I'm really short,
I can't sing, but I can dance,
I was kind of, you know,
the weirdo with red hair,
For me it was either this or "Perfectionist,"
Mine says "Brace Face,"
- We're Lebanese and proud,
- And proud,
Out and proud to be Lebanese,
And love softball,
I wanted to be like RacheI in high school,
But instead I joined the Navy,
so I'm not on stage,
- I am obviously Brittany,
- Santana,
We're waiting here for this girl,
She just got into a car accident
on the way here,
And she has our tickets,
It doesn't matter if you love him
Or capital H-I-M
My mama told me when I was young
We are all born superstars
She rolled my hair
Put my lipstick on
In the glass of her boudoir
There's nothing wrong
with loving who you are
She said
'Cause he made you perfect, babe
So hold your head up, girl
and you'll go far
Listen to me when I say
I'm beautiful in my way

'Cause God makes no mistakes
I'm on the right track, baby
I was born this way
Don't hide yourself in regret
Just love yourself and you're set
I'm on the right track, baby
I was born this way
Don't be a drag, Just be a queen
Whether you're broke or evergreen
You're black, white, beige, chola descent
You're Lebanese, you're Orient
Whether life's disabilities
left you outcast, bullied, or teased
reJoice and love yourself today
'Cause, baby, you were born this way
No matter black, white or beige
Chola or Orient-made
I'm on the right track, baby
I was born to be brave
I'm beautiful in my way
'Cause God makes no mistakes
I'm on the right track, baby
I was born this way
Don't hide yourself in regret
Just love yourself and you're set
I'm on the right track, baby
I was born this way
There ain't no other way
Baby, I was born this way
Baby, I was born this way
There ain't no other way
Baby, I was born this way
right track, baby
I was born this way
I was born this way, hey
I was born this way, hey
I'm on the right track, baby
I was born this way, hey
I was born this way, hey
I was born this way, hey
I'm on the right track, baby
I was born this way, hey
- Glee
- Glee, Glee

Did they really make us do that?
- Did we really do that?
- That was too easy,
I think that everyone can see themselves
in the cast of Glee.
I think it's really cool that people are able
to peel back the layers
to find something
that was already there inside of them,
Glee is like my medicine,
It makes me happy,
It puts me in a good place,
It can be very difficult with asperger's
because we have major social anxiety.
I wouldn't even really go
to concerts or anything.
I was very much a homebody.
I didn't even go to school.
Glee is the reason I got out
the door that first day,
and went to my first class.
One thing I did learn
is to be proud of yourself.
Don't be afraid,
Stand up for what you believe in,
For me, I'm small, so that's my challenge,
Glee helps you realize that everyone
goes through their own struggles.
You've got to notice the little people in life,
You may think that I'm a zero
But, hey, everyone you wanna be
probably started off like me
You may think that I'm a freakshow
I don't care
But, hey, give it Just a little time
I bet you're gonna change your mind
all of the dirt
You've been throwin' my way
It ain't so hard to take
That's right
'Cause I know one day
You'll be screamin' my name
and I'll Just look away
That's right

Just go ahead and hate on me
and run your mouth
So everyone can hear
Hit me with the words you got
and knock me down
Baby, I don't care
Keep it up
and soon enough you'll figure out
You wanna be
You wanna be
a loser like me
a loser like me
Push me up against the locker
and, hey, all I do is shake it off
I'll get you back when I'm your boss
I'm not thinkin' 'bout you haters
'Cause, hey, I could be a superstar
I'll see you when you wash my car
all of the dirt
You've been throwin' my way
It ain't so hard to take
That's right
'Cause I know one day
You'll be screamin' my name
and I'll just look away
That's right
Just go ahead and hate on me
and run your mouth
So everyone can hear
Hit me with the worst you got
and knock me down
Baby, I don't care
Keep it up
and soon enough you'll figure out
You wanna be
You wanna be
a loser like me
Just go ahead
and hate on me and run your mouth
So everyone can hear
Hit me with the worst you got
and knock me down
Baby, I don't care
Keep it up

and soon enough you'll figure out
You wanna be
You wanna be
a loser like me
a loser like me
Like they say on the show,
they are all losers,
well, we're all losers, too,
All these different lifestyles
can actually come together,
a loser like me
a loser like me
It gives a story to the people
who don't have voice,
And everyone always
underestimates the nerds,
- But the nerds have the power, right?
- Nerds!
Thank you so much for coming out,
Thank you, guys, so much,
I mean, everything that the
characters go through,
it's really nice to see that
and have it be related to a song,
And so, it's like a playlist of my life,
Just a small town girl
Livin' in a lonely world
She took the midnight train goin' anywhere
Just a city boy
Born and raised in south Detroit
He took the midnight train goin' anywhere
a singer in a smoky room
a smell of wine and cheap perfume
For a smile they can share the night
It goes on and on and on and on
Strangers waiting
Up and down the boulevard
Their shadows
Searching in the night
Streetlight people
Living Just to find emotion
Hiding somewhere
In the night
Don't stop

Can
anybody
Find me
Somebody to
Love
Each morning I get up I die a little
- Can barely stand on my feet
- Take a look
- Take a look in the mirror and cry
- at yourself in the mirror
Lord, what you're doing to me
I have spent all my years believing you
But I Just can't get no relief, Lord
- Somebody, oh, somebody
- Somebody, somebody
Can anybody find me
Somebody to love
Got no feel
I got no rhythm
I Just keep losing my beat
I'm okay
I'm all right
I ain't gonna face no defeat
I Just gotta get out of this prison cell
Someday I'm gonna be free, Lord
Find me somebody to love
Find me somebody to love
Find me somebody to love
Find me somebody to love
Find me somebody to love
Find me somebody to love
Find me somebody to love
Somebody, somebody
- Somebody, somebody
- Oh find me, find me
Find me somebody to love
Can anybody find me
Somebody to
Love
Somebody find me
Somebody to love
Somebody find me
Oh, somebody find me
Somebody love

Somebody, somebody

- Find me

- Somebody, somebody

- To love

- To love
