village head has sponsored us hot water bath.
it's a matter of girls.
Only leaders do it.
What are the charges per head?
He is asking about the wood.
Rs. 50 or Rs. 100.

sometimes, people will get it for free.
The pizzeria owner was right.
Look there boys!
They all look like family girls.
Why are they staring at us?
Only we two look rich,
others look very normal.
Those boys are from the rotary club.
Let's attract them first
and ditch them later.
From tomorrow, the building will be ours
and the small house will be theirs.
They are smiling at us.
Each one is so good.
Must be from different state

the new young girls.
Wait. Don't get disheartened.

Oil, shampoo, soap, towel, hot water.

And even food & inoculation.

inocuiation...?
inocuiation for what?
That's for hygiene.
We don't know the disease

Taking precautionary measures
is good for us.
viiiagers don't know this.
We know, don't we?
How much do you expect from us?
it is your wish.
You give money & we'ii put
our heart, body & soui in it.

Not us. He wiii give it.

Every viiiage head wiii support the rich.
Forget it.
We'ii teach them a iesson.
What iesson?
What?- Oii bath.

-Yes, teii me.
My son shouidn't know about this.
Not in this hospitai.
i wiii bring him to your nursing home.

Because if he thinks that
i've iabeiied him as a iunatic,
he wiii feei very bad.
i had a patient today who came up
with a simiiar request.
He said that if my father knows
that i'm a iunatic, he wiii feei bad.
so, he didn't want me to reveai
this to his father.
And he has come for a check up.
Look there.
Aii the tests are over.
This is the finai test.

He wiii be fine. Don't worry.
He is in great pain.
Piease heip him.

My baby must eat.

My chiid...
she was about to kiii this chiid.
This iunatic takes any chiid it sees.
Let's kiii that iunatic.
Oniy then we can iive in peace.
i need you, mother.
i need you.
if i hadn't beaten you,
they might have beaten you to death.
That's why i beat you.
Hit me...
- No Jeeva.
i won't beat you hereafter.
Do you know who is responsibie for aii this?
it's him.
You oid man. Good.et up.

With this face.
Good.od has made both of us iook aiike.
With this face....
Not oniy that, he has married
again & has a son.
He aiso iooks iike me.
Where did you see him?
in this city.
Aii these years, you were not
abie to find him.
But i did.
Do you know why?
Teii me why?

is it to take revenge on him?
Do you want me to forgive the man
who ruined my mother's life?
Tell me, should I forgive him?
Have you killed him?
- No. He has escaped.
No...I let him go.
Because I shouldn't get caught.
If I get caught, what would
happen to my mother?
I let him go.
I want to kill him & frame his son for
the murder. So, I let him go.
That's why I made his son a lunatic.
I did make him a lunatic.
You are a lunatic & a psycho.
And you made him a lunatic?
Believe me, you old man!
Good. Go to the asylum & see for yourself.
His father made my mother a lunatic.
In turn, I made his son a lunatic.
That old man is undergoing the pain
which I went through.
He is in deep pain.
Do you know how I made
his son a lunatic?
Even before I could take revenge on him,
God has punished the man
who betrayed you.
Believe me, mother.
His wife died & he lost
his legs in an accident.
But I won't spare him.
I will kill him & frame his
son for the murder.
You idiot.
I will also kill him.
And we'll go to some
other place & live happily.
You may or may not kill your father.
But you will kill your mother for sure.
Stop staring at me.
It's been 3 days since she ate.
Don't you know that she won't

eat unless you feed her?
idiot! scoundrel! Hei with you!
Why didn't you eat? Why?
What will you do if I die?

We can prove them by singing.
if they comment that you
don't know a job.
We can prove them by doing it.
But if they comment that
you're not a man.
Oh no!

i'm aiso watching you.
Why are you behaving iike a mad feiiow?

Aunt, i'll take care of the baby.
if my mother asked this

Aunt, i don't have anyone.
Please...
Take the child.
i got the child as a remembrance
of that past wife.
so i and Kodhandam left
that place along with you.
Tiii now, i had never seen your mother.
i've lost everyone i loved.
i'm still living because
i consider you as my wife.
To save you from the humiliation i had been
through in my wife i became a cripple.
My mother was my role model.
i wished that i shouldn't be
your role model.
That's why i remained as a cripple.
i wore goggles and lived in darkness.
it's all for you.

i want you to lead a good life.
But one person has come
to ruin your life.
i don't know who he is
and his whereabouts.
And don't know how he resembles you.
