Where have you been?  
Beauty shop?  
You pour for me.  
I can't remember, but...  
They say my mother gave birth to me.  
Who the hell gave birth to you?  
Why don't you drink...  
Open it.  
For a hangover.  
How much is the ticket?  
What's your destination?  
10 months, since we met.  
What the fuck...  
What...  
When I blow a whistle, time out.  
Time out!  
I can't remember, but they say...  
My mother...  
Stay right here.  
I'll bring the tools.
