Excuse me. - Yes. - Is this the queue for first year's admission?

"Yes uncle, have you come for your daughter's admission?"

See only answer what you have been asked for!

Yes or no?

- Yes. - Thank you.

Boy goons. Bad element of the society.

Hey smarty.

What... what is this?

"Smarty, put 100 rupees in the box. "

Is this a way to ask for alms? Alms are asked for by joining hands.

You guys are bossing around!

"Hey smarty, we are not asking for alms this is charity. "

The bastard dean of our college...

Dean is a bastard? - Bastard.

Harichandra Ramchandra Mirchandani.

He has got cancer at a special place.

Which place? - That is not important. He has cancer.

We are collecting 100 rupees from everybody for him.

Come on put.

Actually this is bossing but...

- Put! Come on.

"What are you doing, mister?

This is wrong. "

Hey did he take it from your pocket?

"Come on, uncle, even you put. Come on. "

Hey!

- See you don't argue with them.

They are very dangerous people. Yes!

I won't give. I have worked very hard...

...worked in the field and earned this money.

For my sister's education
why should I give?
Come we will take him on a side
and teach him a lesson.
Come... you!
- Hey don't hit uncle.
What are you all doing!
- Come on.
See... see it is my
hard earned money.
I will not give.
- Hey you will keep...
"... your money with yourself
only, rascal?"
"It will get wet, I will remove your
blood instead of your sweat. "
Remove the money.
"Builder sir, take this I will give
his share for him. It's 200 rupees"
Put... put it in the box...
put it in the box.
Yes... yes I am putting it in
the box. I am putting it.
"Hurry up, come on.
- No don't hit him. "
Come on everybody put one
by one... one by one.
"No hurry, at ease. Hey
you put 300 rupees. "
You 400.
4000. 100... 200... 300... 400... 500...
...600... 700... 800... 900...
1000 rupees. - What...
5000!
- You guys do great acting!
Really! - It's amazing.
- Give the money here.
Hey let me at least count.
- Thank you. - Rascal!
What happened?
- You call me uncle!
You call me uncle I will
make you an aunty!
"No... no I didn't do it... I

didn't do it, it was him. "
Hey why are you laughing?
Your tongue doesn't work but
your hands work a lot!
Not me he had said.
What did I say when did I say?
I did what was planned I...
I didn't say anything.
Hey unnecessary you say anything!
Hey... remove my shirt.
"Hey buddy, give me money for liquor. "
"Are you all not ashamed,
you all make... "
...me do such things in the
same college where I study!
Sometimes you make me steal things
from the chemistry lab.
Sometimes you steal the fans
of the assembly hall.
That day you made me a professor...
...and told me to take
that girl's number.
Later that girl turned out to
be that college's professor.
"Till date, I haven't
sat in her class. "
Don't laugh. And that day
you all made me a beggar...
...and made me sit outside
the college gate.
Said that we don't have
money for liquor.
Because of you all I have become...
...notorious in the whole college.
I said don't laugh.
You are our darling.
- All this works in friendship.
Now if we had been in your
place then even we...
"... would have done the same
thing, right? - Yes. "
To hell you all would
do that same thing.
And what difference

does it make to you.

"You don't even have a place
to stay, you use my room. "

The thing is that I am a brilliant
student for dean of the...

...college Harichandra
Ramchandra Mirchandani.

So he respects me.

Or else I don't know about you all...

...whether you all ever
went to college or not.

Did you go to college?

- I don't remember.

Hey... hey wait.

- Why are you betraying us?

Wow... wow! - Bitch. She
is again asking for work.

We will have to take her to Vasuli.

"Hey don't say that, A lot
of loan is still pending. "

I have cried like
Tulsi and Parvati...

...and asked this vehicle
on loan. You are...

"You know who he is, right!"

Let's do one thing we will go and...

...give all this money to Vasuli.

"We will give the rest later, simple. "

He is joking. - We saw money
after so many days and...

...he says that we should
give it to Vasuli.

You don't say anything.

If we give the money to Vasuli
then what will we eat?

"How will we drink, how
will we gamble? - Yes. "

If we have to gift a girl with
something... then how will give?

Should we stop living?

Hey make four half cup of tea
and a cookie for me. - Money?

It's of green color and it
has Gandhi's photo on it.

Come on make the tea.
Come on... come on
give money... money.
Have we till date ever
given you any? - No.
Then why are you asking?
- I have stopped giving on loan.
Has your license been renewed?
- No.
What is the number for Municipality?
I am making... I am making it.
- Add ginger and cardamom.
Lolita.
Have some shame.
What is your age and you are
looking at Lalita Pawar.
"Hey not down, look up!"
Hey Lolita... baby... yes!
Hey don't look at her
with bad intentions...
...she is your bhabhi.
- When did she become that?
You all wait I will make
her one and come.
Even I have to make a bhabhi.
"Let them go, they are walking
into a death well. "
Look over there. Vasuli.
Rascals.
Hey didn't you tell.
- What?
That looks like Sanjay Dutt.
That same body that same face cut.
Vastav movie's vermillion spot.
"Vasuli, I have spoken
with Raju Irani... "
...he is going to launch
you in his next movie.
But my that money.
"Oh no, I am talking about crores
and you are collecting change!"
What are you saying!
- Sorry. - It looks very cheap.
You have the same personality.

It will be great if you learn
a little on dialogue delivery.
"Dialogue? - Like hey Circuit,
give me a magical embrace. "
"Hey Circuit, even give me
that magical embrace. "
"Mind blowing... "
"... that... that walking
style. Your body is perfect. "
I will teach you that?
- Show... show.
"Hey come on, move aside...
move aside. "
"Here, be a hero and stand in style. "
"No man, what are you doing!"
"Not like this, there is
a personality. A style. "
Just like a hero.
- Again.
Look carefully.
- Ok.
Hey are you teaching
me to walk or to run?
"Hey, he is bluffing us,
catch that rascal. "
Hey!
"Mother, forgive me. Deal for me too. "
"Aunty, even forgive
me. Here is mine. "
"Mother, take him up!
- Hey! - Sorry. "
"Mother, forgive him too.
- Another one by me. "
"Rascals, you all left
me alone and came. "
"You came, right? - Deal for me too.
Who is winning? - Mine. "
Vasuli has seen the room.
Vasuli has seen the room.
"Laxman, open the door!
- I won't open it. "
Hey the door!
- Hey man!
Oh good afternoon sir.

- Good afternoon.
"Are you alone?
- Yes sir, absolutely alone. "
"Is your party over?
- I was studying, sir. "
"No partying.
- You want to be a doctor, right?"
"Yes sir, cancer specialist.
- Cancer specialist. - Yes. "
"Cancer specialist, tell me at which
special place have I got cancer?"
"Sir, my education is still
incomplete how I can tell that. "
Shut up. You all only told the
students that I have cancer.
And I don't have money to
get my cancer treated.
"I have become so poor that...
you are laughing, idiot. "
Are you all not ashamed? You all
snatched the fees from the children.
I have got 500 SMSs since morning.
Since people got to know that I
have cancer I have got 500 SMSs.
"Sir, this is a thing
to be happy about... "
...you have so many admirers.
- Shut up. Shut up!
They are Smsing me so that I pay
back their loan before I die.
You all have done this fraud.
You all only have done it.
I will not spare... I will
not spare anyone!
Sir... sir... sir you... you...
you know what...
...all dreams my mother has for me...
"... sir, please don't do any such
thing. - Really? - Please sir. "
Your mother has dreamt
about such dreams?
"What is this?
- Sir, human research. "
Hu... - I have human research

as a subject.

"So I am writing a thesis on all these things, that's it. "

This... this... all this is human research? - Sir.

You are writing your thesis on these naked rags?

These obscene photographs!

"No... no... no sir... sir, that... that there is leakage on... "

...the walls so I put these photographs.

"There is nothing else in this, sir. "

"You should have stuck something else, son. "

"Sir, I didn't find anything else so sir... "

"See Laxman dear, you are a good boy. "

"But don't let those three loafers enter here. - No, sir. "

Please son.

- Absolutely not.

"Please son, you concentrate on your studies. - Right, sir. "

You are a bright student.

- Thank you sir. - Ok? - Thank you.

Sir... sir. No... no sir.

Hey thief!

"Sir, I don't know who they are, they are not with me. "

"Sir, you... you know them?"

So you all are here only.

"Take this, keep it considering it as the rent for the room. "

We will give it every month.

- You all are bribing me!

How long has it been since you...

...all have been thrown out of college?

10 years?

- 10.

It has been 10 years and you all are still here!

Sir... sir... sir.

- Are you all not ashamed!
I have a scheme. You sit.
- I don't want it.
Sit down.
- No. Leave.
"On buying one Zippo lighter,
you get one flat free!"
I don't want any scheme of yours.
Last time too you all had
given a similar scheme.
"Sir see this, I have
brought such an AC... "
...that all your life your
electricity bill will not come.
"But the AC was good.
- Keep quiet, fool!"
I am still taking loans
and paying its bill.
Hey!
What are you saying?
"Sir, he is saying that hey we know... "
...that you are crazy
for Rosy madam...
...and we still haven't written a
letter telling your wife about it.
Sir! - He is saying it...
he is saying it not me.
You all are trying
to blackmailing me!
Are you all not ashamed of it!
I will hand you people
over to the cops.
Firstly you all are staying
illegally here from 10 years.
I will hand you people
over to the cops.
All your life will
be spent in prison.
Get out! Get out!
- Why do you get angry?
Say it with some manners.
- Get... get out! - Come.
Are you coming? - No. - He cannot
take such a small thing.

Get out... get out... get out!

"See you are very intelligent.

- Thank you, sir. "

And don't let these three loafers come in.

Never.

- Keep your doors locked.

Absolutely. - These loafers shouldn't come inside.

"No, sir.

- Get out. - Thank you, sir. "

"Sorry, sir. Thank you, sir. Thank you. "

See what you are doing is very wrong.

One day this dean will throw me out of here.

I will have problem but even you...

...all won't have a place to stay in. - Now deal.

"Hey man, this is sir's pouch. Give I will go and give it back. "

"Hey Dhanveer

Khan's Xerox, bring it here. "

Fair and lovely.

- Really!

Condoms? Its chewing gum.

What is it?

- Go.

What is that?

- Exam paper.

"Come on give it to me, I will clear. Give it to me. "

How will he pass he is not giving his papers.

Why? - He has to sell the papers tomorrow.

Correct. As no one is going to buy them from us.

Why?

- And he is decent.

"Hey... hey see, I am not going to sell papers. "

I am very serious about this.

Hey mother has a deep desire.

Sorry aunty.

- Sorry aunty.

"Here... here... here we go. "

"We are running for the money. "

"I am great, baby, I am amazing!"

"Be careful... be careful.

Be careful... be careful. "

"Your heart doesn't get stolen,
take care of that. "

"Golmaal... Golmaal... Golmaal... Golmaal. "

"Golmaal... Golmaal... Golmaal... Golmaal. "

"We are running for the money. "

"We are running for

"We are running for the money. "

"We are not bad, this
heart is not bad. "

"So if the world is bad
then what should we do?"

"I am not a bad guy!

I am not a bad guy!"

"We are not bad, this
heart is not bad. "

"So if the world is bad

then what should we do?"
"We teach them what they taught us. "
"Have a little blast!
- It's that what you call!"
"Golmaal... Golmaal... Golmaal... Golmaal"

"Golmaal... Golmaal... Golmaal... Golmaal"
"Golmaal... Golmaal... Golmaal... Golmaal. "
Get out! Get out!
I said get out! And never show your
inauspicious face ever again!
Or else I will hand over each
one of you to the cops.
I said get out! Get out! Firstly
you stole my purse.
On top of that you
leaked that paper.
And you sold it for 500 rupees
to the students saying...
...that I have a cut of
400 rupees in that!
Are you all not ashamed! Shameless!
Fools! Idiots!
I don't even know abuses
and on top of that...
...what all schemes did
you all bring to me?
"Sir, buy this lighter, you
will get a free flat. "
"Sir, buy this telephone, you
will get a refrigerator free. "
"Sir, get this AC, your electricity
will be free!"
Am I a fool! Do you all
think that I am a fool!

Even a fool is a small
word for you all.
I am... you... you have thought
of me... as that... - Chu...
Keep quiet. Keep quiet! Idiots!
Get out! Get out!
You all are worse than even Saturn.
Even Saturn is over someone
for only for 71/2 years.
You all are over me
from past 10 years!
You all made me crazy!
I have gone crazy!
Because of you all I am
suffering from acidity.
I will have a heart attack!
"You told Rosy madam that I
have gone bald, didn't you?"
Yes! Yes I have gone bald...
I have gone bald!
What will you do? What will you do?
I have gone bald... - Sir... -
Gone bald! - Sir... - Get out!
Get... get... get out.
- There is a new scheme.
A car free on underwear.
"Not on this, on an un... - Get out!
- Why do you get angry, sir?"
Talk with some manners.
We will leave.
"Get out. Please, get out.
- Come. "
Yes I am. I have become.
If I will stay with you all then
I will even become a donkey!
Sir.
- What is it?
"You bought the paper and got
passed! - Sir, one minute, sir. "
You bought the paper and got passed!
"Sir... sir. - Sir, why me...
- Get lost from here!"
Get out... get out!
I am ruined because of you all.

What will I tell my mother?
Poor woman used to work
in a collector's house.
She dreamt that even I should
study and be a collector.
Why do you need to study
to become a collector?
You are anyway our collector.
You only collect our money.
I don't want to ruin myself further.
"I will go to my village, at least
I have my own house to stay. "
Yes. It's a great thing
to have a house.
But what's the use of that house...
...where parents are after
killing each other.
It's better to be homeless
than have such a house.
Yes hostel is good at least
I get good...
...sleep sleeping close
to Mallika Sherawat.
I lost my sleep when I was small.
My father had two wives.
One was my mother.
And the other of the neighbor.
Sou... teal
Sou... sou... teal...
...sou teal... souteali.
Her kids used to make
fun of my dumbness.
You still had a house.
I neither had a house nor family.
When I came to my senses I
was in Jhamnadas orphanage.
First I used to think that
Jhamnadas only is my father.
Then I later got to know that
Jhamnadas expired when small.
His father had made this orphanage
in his remembrance.
Then send them into an orphanage.
They won't take you

all in even there.
I don't want to stay with
you all. I am going.
He will come back in that
same speed he left.
It's 10.30.
"Gopal, he is talking to you. "
What... tsunami?
We are here only.
"Hey man, we should
have betted on it. "
He came back again.
Is this a time to jog!
Ok Vasuli is coming.
Hey run from here!
Catch those rascals!
"We are running for the money. "
"We are running for the money. "
"We are running for the money.
"We are running for the money. "
"Hey Gopal, hurry up! Run! Come on!"
"Hey, come on!"
"What happened, buddy? What happened?"
We have taken it on installment...
...this doesn't mean that it
keeps on stopping. - Man!
"It keeps on stopping, what
kind of a bike is this!"
"What happened?
- Hurry up, look!"
Hey! Vasuli! Vasuli!
"We are running for the money. "
We will have to climb this gate.
- Doors open too!
Come! Hey!
Who is it?
Who is it?
- No one.
I am having this feeling
that he saw us.
Did he see or not?
What he saw no one else saw that.
- What did he see?
He saw that we are four

of us and oldie is alone.
He will go inside and
call the police.
Then let's run.
Yes. Anyway we haven't come
to buy the bungalow.
No... no... no... no!
God!
You know if there is any
noise then I feel...
...as if our grandson
Sameer has come.
When Sameer will come he will
come in broad day light.
He will not come at
night like a thief.
Wonder whether he will come or not.
He will come... he will come.
America is not close by. You know
it take 22 hours even by plane.
Here it has been 22 years I had
seen him when he was small.
"I know and you are just living
waiting for him, right?"
Why not he is our
only grandson and...
...if you go to see then he
is our only heir. Really.
See let him come whenever he comes.
But till he comes we
will have to live...
"... being each other's support, right?"
One... tell me one thing.
"When he will come, how
will recognize him?"
You don't worry I am sure.
- Yes.
We... we will feel it on our own.
"Come on, it's very late
lets go to sleep. "
Switch off the lights.
What difference does it make
whether there is light or darkness?
We are destined for nights

24 hours a day. - Yes.
Then why did you take
a torch and go outside?
Yes. So that the thieves
don't get to know...
...that two blind people
stay in this bungalow.
Hey the oldie fooled us
they both are blind!
They are not deaf.
"Kalengoor, last bus stop.
- Last bus stop. "
Chapel lane. Last bungalow.
- Last bungalow.
The name of the bungalow?
Shanti Niketan. - Not Nari
Niketan it's Shanti Nike...
I said Shanti Niketan only.
- Shanti Niketan.
Which floor?
- Who came? Who came?
He is asking which floor.
- Is your top floor empty or what?
I said bungalow... bungalow!
He is asking for which floor!
Two people stay there an
old man and an old lady.
Both are blind.
- Blind! Your work will be done.
Hey where is Gopal?
What are you thinking of?
- There is an idea.
What if I enter the house as Sameer?
Hey what if they get to know then?
They can't see whatever face it
is what difference does it make?
No... no it's a sin to do such.
Hey think it's such a big bungalow.
Our lives will be made. No
problem of food and drinks!
But you both will have
to stay as Lucky.
What do you mean?
I mean that you both will have to

stay as dumb and deaf like Lucky.
No one will speak. Only I
will speak. - Thank you.
My head is blasting after
hearing them talk. Hey!
Hey see I won't be able
to do this. I am going.
Hey where are you going?
Hey leave me.
Hey what are you guys doing!
- You won't listen!
Where are you going?
- Are you all not ashamed!
You also!
Hey! Hey who is it? Who...
Who... who is it?
Who are you? Say!
"Say! Who are you! Who are you?
Who are you, thief!"
I will call the police.
Police. Thief!
"Who are you, tell! Tell or else
I will call the cops, tell!"
I... I... - Who I? - I... I... I...
- Who I? - You are grandpa.
"Who are you, thief?
- I... I... I am Sameer. "
Sameer? Who Sameer?
- Sameer your grandson!
Sameer!
- My grandson?
"My grandson, you came from America!"
So why didn't you say as yet?
- Surprise... surprise!
How did you come?
Flying. - You flied? - In
the plane... in the plane.
You came all of a sudden. You
should have said that you are coming.
You should have written a letter.
Or you should have told someone.
You should have called.
- I saw Swades movie so I came.
Swades. Hey Swades in

Vedesh.

Now you stop your military investigation. - Yes... yes... yes.

My grandson has come after so many years.

"Let him at least breath easy.

Come... come son, come. "

Come. You have come after so many years come.

Be careful of the sofa.

Come sit... sit. You have flied you must be tired.

"Sit... sit... sit - That's it. - Hey where are you going, sit... sit. "

Yes.

Which flight did you come in?

- That... from America!

New York to Goa!

- Now Goa is direct?

"You stay in Chicago, right?"

"That... I shifted.

- You shifted, ok. "

Where did you stay in New York?

That New York...

- That is there.

Where do you stay? Where?

- There.

Lib... liberty's statue. Next to statue of liberty. - Ok.

"Statue of liberty, ok. But the statue is in water. "

From when?

- From always or even that shifted?

No I was joking I open the window...

...of the house then I can see that...

Ok so you have a house facing that.

How nice would it have been if

your parents would have come.

What happened? What happened!

"Grandpa, there was a cat.

- Was it a cat or a bull?"

Is that cat Chinese?

Hey you keep quiet! - You talk

like this with your grandpa!

Where are your values? Can't

grandpa joke on a cat?

You have learnt this

from aboard and come?

Hey you stop!

- Stop? Who went? Who went?

"Grandpa, not stop, hunger... hunger. "

He must be hungry he has

come from so far away.

"You wait, son. I will just cook

food and come. - Four plates. "

Why four plates?

That... that I have carried three

suitcases with me so I am hungry.

"Three suit cases four plates, right. "

"No... no... no... no not four today

in one plate only you, I... "

...and your grandpa will

have food together.

Yes... yes.

- Ok bring the food fast.

Why is your voice coming

from far away?

"That grandpa, that... my stomach... "

...is empty so my voice is echoing.

"Ok, it is echoing.

- God! He has gone crazy. "

"You still didn't tell me

your postal address, son. "

Listen.

- Yes.

Remove the box of clarified
butter from top for me.

Yes.

- Go remove the box.

Yes grandson has come so today...

...there will be pure
clarified butter.

"Otherwise no oil, no clarified
butter for me. Dry bread. "

Hey!

I don't want to stay here!

If we stay with him we will
direct land up in prison.

I am going.

"You cannot go anywhere,
you are my half body!"

What do you mean that

I am your half body?

I mean for the oldie you are Sameer
by body and I am from voice.

Yes and these blinds are very smart.

Once when they touch anyone
they never forget that touch.

"And even voice, now it will
go on in the same way. "

"I cannot do this.

- You will have to do it, Laxman. "

"Now this will only go on. - Oh God,
what a life have you given. "

Now what will happen to me?

Nothing will happen; you are living
such a life from so long.

You speak on my signals!

Hey keep quiet!

"And Gopal, your this plan
is going to flop. "

I am sure that these two
oldies are not blind.

"That oldie was looking at
me like this, you know!"

Staring widely! - Hey blind
people look this way only.

Hey no that old lady
also winked at me.

She winked at you?

- Yes.

That means that she is 100o/o blind.

She is not!

- Hey you!

See keep quiet or else

I will make you...

...unconscious and then

take you inside!

See I...

"Hey! - Sameer dear, the
food is ready. - Shut up!"

Hey my voice. - Sorry... sorry.

- And whose body? - Mine.

Boss... boss... boss!

What is it?

- Sattu has come. Sattu!

A toad in the sea?

- Sattu Supari! O my God.

"Hey! Supari, my born killer!

How do you come, man?"

What come... come? I have just
escaped from being less.

You know that! - What! - Can't
you give me full information!

Two blind! Two blind! Who will say
that they have four bodyguards!

From where did the
bodyguards land up?

Then! Hey they hit the coconut
with such an aim...

...that if they go for Olympics
they will make India proud.

What?

- They will make India proud!

"Hey why are you yelling, what
do you think that I am deaf?"

Shut up!

What... what have you
thought of ahead?

"What have I thought, I will
remove an x-ray of my skull. "

And... and I will take a pain killer.

"Will take a pain killer,

you just do that only. "

I will hire another professional killer. Go.

Hey! - What! - Give Sattu Supari another chance please!

This time I will go fully prepared.

- You will go?

Yes.

- Then go.

Hey why are you walking like this?

Has a nail ever been stuck on your back side? - No.

Then you cannot understand my pain.

You all cannot understand my pain. I am going.

"On that right side, it's much deeper that side. Yes. "

Stop walking! Listen to me!

No! I won't listen to anybody!

You guys have got me stuck here.

On top of that you don't allow me to eat too.

Today I will jump from here and commit suicide.

Hey! Lami!

"My Laxman, if you died then what will happen to Nirupa Roy?"

Nirupa Roy?

I will call your mother Nirupa Roy.

I can't call her Aishwaria Rai.

This building is of 2 floors.

"If you survived by mistake, then do you... "

...how much expense you will have to incur?

"As it is, our financial status is not good. "

Keep quiet! Because of you I am starving!

And it is better to commit suicide than to starve!

1... - Listen! Where will your counting end?

At 3. 2...

This is not 'Sholay' type suicide.
He is really going to die.
He can't pee in the dark.
And he will commit suicide!
23/4.
Hey! Hey!
What about me if you die?
I won't be able to speak!
And who will do my dubbing?
Then come. You too come.
It is better to end
our lives forever.
I am leaving.
"Hey, Lucky. You have
time, don't you?"
Do one thing. Get another
pack of snacks for me.
Cold drink.
Indian burger for me. Less spicy.
"You were going to die, weren't you?"
I will eat and then I will die.
I will not die with empty stomach.
Otherwise you will have acidity.
- You!
"If you die, then give me your watch. "
"Now if you won't die, then
I only will push you!"
What a friend you are!
You are not letting me
to die peacefully too!
You can live peacefully
after your death!
This is too much! I will not die!
- Go!
I am dead!
- Without jumping?
Oh God! She is that
girl on the stairs!
What! There is a CD on her?
No! We had seen her on
the stairs that day!
Look! Other corpses too are
standing in the queue.
Cheap guys!

Shameless!

Aren't they ashamed to see
a girl changing clothes?

"I know! There is no decency
in this world! - Yes, buddy!"

They peep in other's houses!

- Yes.

What is she doing! We were looking!

Fool!

Gopal doesn't know the difference...

...between buying and making alcohol.

Today I will drink to

my heart's content.

"Exactly my sentiments, buddy!"

Why are you sitting woebegone?

Then why should I do?

"You guys don't let me eat,

drink or commit suicide. "

Keep quiet!

Look at this! You guys

don't even let me wail!

Sameer!

Sameer!

I hope the food was sufficient.

Did you eat properly?

I hope the food was sufficient.

Why don't you say something?

I think you are feeling sleepy.

"I lost my slumber a long time back,

dear. A long time back. "

Say something. Why are you angry?

I think you didn't like the

food cooked by your grandma.

What to do?

Since the time she has

lost her eyesight...

...she adds sugar instead of salt

and salt instead of sugar.

Sometimes I too drink salty tea.

Say something. Why

don't you speak up.

I think you are like your father.

Till the time I wouldn't

beat him 10 times...

...he wouldn't speak.
Say! Say! Say!
I too had beaten your father
a lot when he was a kid!
Say something!
I think you like beatings from
your grandpa! Say something!
"Grandpa, there was betel
leaf in the mouth. "
I was searching for a place to spit.
I see! You must have spited
at a nice place.
You eat betel leaf in America too?
It is available there.
"What do you think of
America, grandpa?"
In each nook and corner.
What chatting is going on between...
...the grandpa and grandson?
Nothing! I was asking how
is everybody in America.
And how is America.
Everything is fine in America.
- I see!
And they both?
Who?
With whom you stay.
Parents!
- Your parents!
They are fine. They are good.
They miss you both a lot.
"If they miss us, then
why didn't they come?"
"If they had come, then how would
you have missed them today?"
What does Sujata say about me?
Sujata? Who?
- Fool! Forgot your mother's name!
Sujata! Who!
- Fool! Your mother! Your mom!
"Grandpa, she is fine. "
I have been calling her as
mother since childhood.
So I don't remember her name.

She misses you both a lot.
Can I go to sleep? - What!
Actually I have come from
such a far off place...
I see! Jetlag! Jetlag!
He is tired!
"Grandma, bed sheets. "
Everything is there in the cupboard.
4 bed sheets.
Why 4?
- Why 4?
It is very cold in America.
So since childhood I have the
habit of taking 4 bed sheets.
Go! It is lying in the cupboard!
"You will need it for cold and hot
weather. Go, dear. Go to sleep. "
"Goodnight, grandpa. "
Hey! Have you forgotten
the custom of the house?
'Jai Shree Krishna'.
'Jai Shree Krishna'.
"Jai Shree Krishna', grandpa!"
'Jai Shree Krishna'!
'Jai Shree Krishna'!
He forgets his mother's name.
But he remembers goodnight.
Forget it!
Why does he need 4 bed sheets?
There must be some reason.
Why are you after it!
"There are only 3 bed sheets here.
- Not 3, 2!"
"But we are 4 people.
- Mind-blowing! Not 2, 1! Thanks. "
But...
Go away! Even I need a bed sheet!
Otherwise I can't sleep!
"You need slumber, not bed sheet
to go to sleep. Go to sleep. "
"Life sucks, buddy. "
'Vande Mantram'! 'Vande Mantram'!
Who is it? Who is it? Who is it?
'Vande Mantram'! 'Vande Mantram'!

- Keep quiet!
'Vande Mantram'! 'Vande Mantram'!
What are you doing! Keep quiet!
- 'Vande Mantram'! 'Vande Mantram'!
Keep quiet! What has happened!
Have you gone mad!
Were you seeing 'Mangal Pandey'!
Was somebody hanging you?
- I was seeing a dream.
"I saw that the old lady,
the old man... "
...and you all were
trying to kill me.
We all have not joined hands.
But we do want to kill you!
Sameer! Sameer!
What freedom are you fighting
for in the middle of the night?
Actually... 26th January
is approaching soon.
I was rehearsing for that.
I see! 26th January!
It has gone. A few days ago.
15th August is going to come.
- Yes. 15th August! 15th August!
"Tell me one thing. You
are Sameer, aren't you?"
No! I am Ajay Devgan! Why!
"Grandpa, I am Sameer! Your Sameer!
Why are you asking?"
Because since the time you have
returned from America...
...you haven't asked about the box.
"Box? Box! Yes, grandpa! Where
is the box? I forgot. "
That box is there. It
is where it should be.
You go to sleep. You go to sleep.
What is there?
"It is a mattress, grandpa. Mattress. "
Mattress.
Too much of dirt.
Dry it in the sun. Dry the mattress.
"Jai Shree Krishna', grandpa!"

Goodnight. Sleep tight.
"Not box! If there was a pistol,
then I would have shot him. "
Go to sleep! Go to sleep!
It's paining a lot? Where
is it hurting? Show me!
Who is there? Who is there?
I am there. What happened?
Why did you whistle?
Whistle?
"Darling, after 40
years of marriage... "
...husband can only shoot his wife.
But not whistle.
Who is there? What happened?
"Nothing, grandpa. Chinese cat. "
Chinese cat. Chinese cat.
Cat!
- Go!
"What?
- Grandpa, cat!"
It will drink all the milk!
"I am observing, dear. "
You have forgotten to seek
elder's blessings too.
Come. Touch my feet.
Actually... grandpa!
What! Come! Come! Seek my blessings.
Actually... grandpa!
- What! Seek my blessings.
Come! Seek my blessings! Come!
Stand straight!
Will you talk like this
with your grandpa?
You will say stand straight! Fool!
"I... was talking to God, grandpa. "
I was performing the veneration.
Where you performing
the veneration...
...or scolding your grandpa!
Come! Come! Seek my blessings! Come!
What happened?
"Chinese cat, grandpa!"
Wow!

Why are you sitting here?
You know he is in trouble there!
What are you doing here!
Mind-blowing!
I had sent you guys to bring him!
What are you both doing here?
We are seeing a rape.
- Where?
There!
We have found a good chance.
We will save the girl
and impress her!
Your idea is great!
Let's go!
- Come on!
Salman Khan is coming!
Jackie Chan also!
- Wait! Wait!
I want to be Salman Khan.
You all will make me P.T. Usha.
What is the need to run?
We will call the cap?
Watchman?
Police! Police! Yes! Nice idea!
We will call the police!
First the heroes enter!
And then the police!
Ring the bell! Ring the bell!
Where is the bell?
Is it a temple?
- Oh yeah! From the back!
"Wait, rapist! Your hero has come!"
Hero?
- Yes.
The hero breaks the glass and makes
the entry in the Hindi movies.
It is a great idea! Who
will be the scapegoat?
Me!
Mummy!
Who are you all!
Stop it! Stop it! Stop it!
"Come on, boys! Come on. "
Are you looking at us angrily?

Or your face is like this?
At least thank us for saving
you from the rapists.
Shut up! Who are you all! And
how dare you all come in!
You all ruined the rehearsals!
Sorry!
It implies they were not raping you?
Oh God! No! This is the
theme of our drama!
What did I do?
Aren't you ashamed! For
spreading such rumors!
Such a beautiful girl. Such...
- Item...
Such a rich girl! Decent girl!
I am ashamed of you guys!
"Sorry, ma'am! I beg your pardon. "
"You... continue. Continue... sir,
continue raping her. "
Please! Please! Please! Go on!
Please! Please! Go on! Please.
- Your sister is calling.
Great! I didn't do anything.
I am a decent man. I was
roaming on the terrace.
"Drying my vessels. Sorry,
drying my clothes. "
He!
- Hey!
He!
- No!
He came and told me that
a girl is there...
...and 4-5 guys have pounced on her.
Even I was wondering
that you don't rape...
...by putting on the music system.
I am very sorry. This
is not my fault.
Liar! Cheater! I am sorry! Really!
Not I! Not I! I came... he told me.
He told me that a few guys
are raping that item girl.

Let's go and help her. To
help her. To help her.
Aren't you ashamed to spread such...
...cheap things about a decent girl?
Keep quiet! God has given
you the ability to speak!
It doesn't mean that you will
talk rubbish! Get out!
She is asking you to leave. Come.
I said get out!
We are leaving!
"Excuse me, ma'am. It is your fault. "
What do you mean?
"Your acting was so real,
that we couldn't... "
...stop ourselves from saving you.
Gopal makes us toil so much.
And he himself bosses
around and he relaxes.
Hey You both are quiet!
That's why I too am quiet.
Otherwise I would have...
You guys can just threaten
and not do anything else.
"If I lost my mind, then
I will break his teeth!"
You guys are laughing! You guys
think that I am jesting!
Let him come in front of me...
"I will tell him that whatever
she is doing, that is fine. "
"And Gopal, these two scoundrels... "
...are provoking me against you.
- Do you know?
"If you will beat me, then
I won't wash the vessels. "
You are not washing it properly.
"Look, this is not clean.
Clean it again. "
Come on! Come on! Come on!
They both are blind.
They won't know whether
it is clean or dirty.
"Hail Ram! Hail Ram! Hail Ram!"

"Hail Krishna! Hail Krishna!
Hail Krishna!"
The worship is over?
Isn't it strange?
- What happened?
Since the time Sameer
has returned home...
...he doesn't allow
us to do any work.
He had stayed in America.
And there you have to
do everything yourself.
Really?
- Yes.
"Greetings, grandpa. Greetings,
grandma. "
Niraali. Take the offerings.
"Grandma, can I get some pickle?"
There is enough!
Your grandma's pickle
has still tied me here.
Otherwise a long time back...
Again you have started. You sit.
I will get the pickle.
"Okay.
- Come, dear. "
"Come, grandpa. "
What's the matter? Grandma seems
to be very happy today.
She is bound to be.
"Her grandson, Sameer has
returned from America. "
Really!
"Grandpa, did you call me?"
I never called you. You
have come uninvited.
You?
"Grandpa, your hot water for
bathing is ready. Let's go. "
"Come, dear. With your support...
where did you go?"
Come. It will get cold.
- Yes! Yes!
"Come. - Dear, you sit. I will

take a bath and come. "

Come.

- Okay.

Is there a towel inside? Or
do I have to use my dhoti?

Go inside. Everything is there.

So you...

- There is so much work!

What! - I have to do grandpa
and grandma's work!

"By the way, what do
you do in America?"

I... I... in America... I
fly the kite. - What!

I mean I make kites. I have
a factory of kites.

Factory of kites! Strange!

"It is strange here. But in America,
it is in demand. "

Less of flight and
more of kites fly.

Let's go out.

Okay. I don't mind.

- Come. Come.

Your interest lies in what?

Did you hear that? Your
interest lies in what?

He has come down to kissing
in the first meeting.

Let's go and see what he is doing!

- Come!

I mean what is your hobby?

Music! Abhijeet Sawant!

He is my favorite!

Mine too.

- I see.

He plays guitar well.

Guitar? He is a singer! He sings.

Really?

- Yes.

Then who is the one who plays
the guitar in the back?

In the back? What do I know?

- Forget it!

That... your four sisters...

- Sisters?

I see! They! They
are not my sisters.

We all are paying guest.

We stay together.

I was wondering what your
father does. - What?

I mean what is his profession?

He has a business in Ahmedabad.

I see. And what do you do?

I want to be a fashion designer.

Right now I am awaiting my result.

By the way nowadays we are
organizing a couple's car race.

We will donate the money to
people affected by rains.

That day I too got drenched so much.

But you were in America.

What! Yes! Yes! Come!

- You are a jolly person!

Come! Come! Come!

That day if I too had
got drenched here...

...would you have helped me too?

Of course!

What I was saying...

- Yes.

The couple's car race that
we are organizing...

...I had given this idea.

I love speed! You know!

And I will support Monty
in tomorrow's race.

Monty? Who? That rapist?

Yes. He is my good friend.

- I see!

And I am sure that he will win!

"By the way, I have never
been defeated. "

Really? Then do one thing.

You too participate tomorrow. Yes!

I don't have the license.

Somebody laughed.

I don't have license of this place.
I have America's license. I don't
have license of this place.
So I was saying...
Who has locked the
door from outside?
Open the door!
- There!
I will come. You don't go.
- No! No! I am here only.
Hi!
- You all...
We live here only.
- Here?
Actually we want to ask
many things from you.
"For the moment, forgiveness
will be fine. "
Thank you. Sorry.
Me too.
Actually we ruined your rehearsal.
They couldn't even rape you
properly. Very sorry about that.
Its okay!
And you will not say sorry.
Am I right?
He will not speak! He will never
speak! He is like this.
"By the way let me introduce you
to my darling servant, Lucky. "
"My laundry boy, Laxman.
And my cook, Madhav. "
"Say hi, boys! Say hi!
- Hi!"
They are your servants! They
have worn good clothes.
I guess you pay them well.
Actually I...
"Let's go, Niraali. We will talk
on the way. Come. - Okay. "
Put this in the vase!
Come! Come! Come!
"Back to work, boys! Back to work!"
This Gopal!

He makes us the servant! And
he went away with her!
How far will he go? He doesn't
know how to drive the car.
I will win tomorrow's race.
- What do you mean?
And my trophy will be Niraali!
But where will the car come
for us useless people?
I will arrange for that too.
What are you going!
"50! 50! How much! 50! "
- Excuse me, sir. "
Madhav!
- Hi!
Aren't you Madhav!
No! He is calling you Madhav!
Then he will call you Laxman!
Then he will call you Gopal!
No! Absolutely no!
This is Ceo.
- And that's Dinky!
"Madhav, did he recognize us?"
What is the lady saying?
She is saying that she
wants a nice car.
A car that will suit my Dinky!
- Yes.
"I see! Ma'am, look at
this. 1965 model!"
"Ceo, is he talking about the car... "
...or telling us his birthday!
Dinky is so funny! She is so funny!
Really! Come here!
"Ma'am, look at that. A nice
model. Just like you. "
Let's see the model. Forget her.
Come.
- Come.
Look at this! The latest
and speed car!
It is in demand in the market.
And there is no such goods
in the market too.

"We don't want goods, we
want car. We have goods. "
And I will have to test drive it.
Yes. Can we test drive it? Please.
Let's take a test drive.
- Thank you.
Will you sit on my lap?
Hold this!
- Ophs!
Take the chequebook.
Fill in the amount.
"See you soon.
- Bye, cartoon. "
Ophs! Wrong man!
"Bye, sweetie!
- Come. "
"Careful, Dinky. "
Dinky! Take a small
test drive. Dinky!
"Golmaal!"
Receipt for Ganpati's charity.
"Hey, Dinky! You conned me!"
"Good afternoon, friends!"
Welcome to Castrol GTX
motor chase 2006.
We are thankful to all of you.
That you all participated
in this rally for...
t he 26th July Rainfall Relief.
And to increase the excitement
of this race's...
...the winner of this race will
receive a cheque prize of 5 lakhs.
You won't be able to defeat Monty.
He seems to be a professional.
Even I am a professional!
Look at my idea!
"Golmaal!"
Come on!
"Golmaal!"
Faster! Faster!
Faster! Faster!
Got the steering!
Hi!

Its petrol is not getting over.
Our petrol will get over!
Monty! The petrol is over! Oh God!
What is happening!
Run quickly!
There is so much petrol in your car!
Please!
My honor is at stake!
Come on! Come on! Come on!
Come on! Come on! Come on!
Come on! Just a bit!
For Niraali's sake! Come on!
A little bit more!
We won!
Nonsense!
I saw your driving!
You should participate in a
bullock race! Not a car race!
"Niraali, I don't know how the
petrol got over in the car. "
If you don't have the money
to buy the petrol...
...then why did you participate
in the car race!
Relax!
- You have made a mockery of me too!
We are meeting for lunch.
I will explain then.
Lunch and with you! I will
not even have tea with you!
"Niraali, listen!"
Leave me! Leave me!
Now I call on stage the winner of
Castrol GTX motor chase 2006.
Mr. Madhav Singh Ghai!
Madhav!
- Madhav! - Madhav! - Madhav!
Thank you! Thank you!
And here comes the
cheque of 5 lakhs.
Yeah! Yeah!
Now as decided Mr. Madhav Singh
will donate the amount...
...to 26th July Rainfall

Relief Charitable Trust.

Madhav!

- Madhav! - Madhav!

Wow! He is so handsome!

"You are also not any less, darling!"

Will you come for 9-12?

You! It is your hobby

to tease girls!

Shut up!

Why didn't you tell her something?

You can't speak.

I was just jesting! Why
are you feeling bad?

You know! You should be driving.

Do you know Shubash Ghai?

He is my close relative.

But he is not launching me.

And I want to be an actor.

So unwillingly I only have to
produce and direct the film.

'Uima! '

- What happened?

It is the name of my movie!

My movie's name!

And I am the hero.

Then what were you doing
in Shanti Niketan?

I am the 3rd actor! 3rd actor!

You see I am making
a movie on servants.

And I wanted to know servants
closely. Yes!

I see! So you are a perfectionist?

Always! Always!

You must have seen how I had
stopped at the race line. - Yes!

Neither in the front nor on
the back. Just perfect.

Do you have lunch? Will
you have lunch with me?

Today I... I mean...

- No! No! No!

"Look, my perfectionist
heart will break. "

Like how you broke
the petrol's tank.
"Golmaal!"
Its mine!
"This prize belongs
to you, Niraali. "
This fool had made a
hole in your tank!
So that you lose this race!
His face is like mine! There
is another like me!
Idiot! I had taught you driving!
- Liar!
Not to cheat!
- You are lying!
What I thought of you and
what you turned out to be!
"Let it be, Niraali. "
It is futile to lock horns
with such filthy people.
"We will spoil our mood. Come,
I will escort you home. Come. "
You can sit anywhere.
I will not spare you!
I will not spare you!
Lunch? What about lunch?
Where are you going?
We will have to do something
about this Gopal kid!
What about the kid?
He is still not born?
Do something about Gopal.
But what can you do?
You want to say that
I can't do anything!
No! No! You can do something.
In front of him you can
plead and implore.
"You are talking too much, you dumb!"
What is his fault?
Vent out your anger on him.
If you have masculine powers.
I have masculine powers.
I will not spare him!

Try it.

- You too!

Yes! That day Gopal call you a
'Bawarchi' in front of Niraali.

"Still you kept quiet. Yes,
but what can you do?"

You know why I kept quiet that day!

Because 'Bawarchi' was
a great success!

So many people have
remade that movie!

Otherwise I wouldn't have
spared him! I swear!

"In spite of wining the race, you
couldn't impress the girl. "

"But what can he do, Lucky?"

You are talking too much!

Listen!

- Forget it!

But what can you do?

What I can do!

I... have decided.

- You have made a correct decision.

You can't do anything!

I can't do anything!

I can't do anything!

Now I will show you what

I can do! I will...

What can I do?

What can I do?

"You can break his bones,
break his teeth... "

"... make him crippled, if
you are one father's son. "

No! - What? You are

not one father's son!

Not that! All this used to
happen in 1980's movies.

Breaking legs. I will break his
skull! It is a slow torture!

Really? He is exaggerating.

What did this dumb man say?

He is saying that you are
doing the right thing!

We can't say that in front of him!
See to it that he doesn't survive.
If he survives then
we won't survive.
Are you encouraging
me or scaring me?
No. You be strong.
You just wait and wait.
I will smash his skull in such a
way that he will become blind.
He will keep on saying sorry
for his entire life.
Sorry! Sorry! Sorry!
His skull will smash.
Good! He will become blind.
You will go in the prison.
I am not interested in this.
Niraali will be mine.
Hey!
- He has come!
Hey! I want to pee!
"Fine, I will keep
the bathroom ready. "
You first go and smash his head!
- Thank you.
I thrash him! I thrash him!
Mummy! Mummy! Mummy!
Let's go and check! Come!
- We are with you! Come!
Hide your face.
What have you done? I think
you have killed him!
I didn't kill him. I just
smashed with the rod.
But you were only going
to make him blind.
He is lying unconscious.
Who is he?
Did you see a ghost?
Who is he!
What is he saying?
"Today you won't say anything,
my friend. "
He is saying that he is hungry.

Keep quiet!

I will...

- Where did he go?

I am asking who was he!

- Is grandpa in some mess?

I didn't expect this from grandma.

No! It could be grandpa too.

But Gopal you are very nice.

"Nobody will hit you with the rod.

Come, I will serve dinner. "

Have you cooked the dinner?

- You have become so thin.

You go. You take a holiday.

You can't do anything.

Go somewhere. I have

some other plan. Go.

Hail Mother Mary!

"Grandpa, shall I do more?"

"Grandpa, have you quarreled
with somebody?"

Where will the blind
man go to fight?

It is an extended life. We are
fighting with ourselves.

I mean loan or something?

I had given a loan. To your
father. He repaid that.

He sent you here.

"You have arrived.

- Grandmother, grandfather. "

Bless you bless you.

How did you come back again?

- By ship.

Did you not have the money
to come in a flight?

"I had grandfather,

I was just going... "

...to set up my business but
my fate turned against me.

All of it became Loss Angeles.

"Sameer, this is our servant Pandu. "

"Okay Mr. Pandurang, when
will you go back now?"

"Come on grandfather, now I will... "

...spend the rest of my life
here near your feet.
The poor guy works and saves...
...up money and then goes
to Dubai to do business.
And then loses everything
and comes back here.
What is this grandfather?
What is this?
I went for a few day and
you kept a new servant.
This is not a servant this is
our grandson Sameer. - Stupid.
You had seen him in the childhood.
"He used to eat lollypop, used to... "
...wear half pant and used
to do a lot of mischief.
"Sameer, you are so grown up now. "
You have become a man
no from a child.
Even you have become
a monkey from a man.
Who are you?
- He is Sameer.
You had seen him in the childhood.
"He used to eat lollypop, used to... "
...wear half pant and used
to do a lot of mischief.
"Oh, this is Sameer. "
Who is this?
- He is Sameer.
You had seen him in the childhood.
"He used to eat lollypop, used to... "
...wear half pant and used
to do a lot of mischief.
"Okay, he is Sameer, he is Sameer. "
He is Sameer.
- Who is this?
I told you that I am Sameer.
You had seen him in the childhood.
"He used to eat lollypop, used to... "
...wear half pant and used
to do a lot of mischief.
Correct.

- I accept that you are Sameer.
But who are the remaining three?
You have come drunk again
in this house Pandurang.
That is why I was thinking
grandfather...
...that why is he shaking so much.
You keep quiet.
"Grandfather, grandfather not three... "
...but there are four Sameer's.
Grandfather he can see
four Sameers now.
What? What have you mixed Pandurang.
Tell me what did you drink? Tell me!
"Grandfather, I did
not mix anything... "
...I swear by my mother.
What? You are swearing by your
mother after being drunk.
"Grandfather I will show you,
I mean I will let you smell. "
What happened?
- Grandfather...
...he cannot even walk properly.
It is useless to talk to him.
- Listen...
...we have to go to the temple.
Sameer dear.
- Yes. - Will you take us?
This Pandu has become useless.
You passport size photo.
If you want to live here then
mind your own business.
"Sameer dear, today my wish
is finally fulfilled. "
"Here take this, break
this into small... "
...changes and distribute
them in the poor.
It is a thousand rupees note.
"Sorry grandmother, but I
am the biggest poor here. "
Sorry Lord.
"It is the last.

- Oh Lord, oh Lord. "

"Grandfather you, I as about
to come to your house. "

"Why, is all the pickles finished?"

"No, no actually there is a dance... "

...competition in my college in
which I am going to take part.
And I want to win this competition
at any cost.
That is why I wanted your blessing.
You do have our blessings.
"You will surely win it, okay. "

Okay but only blessing
s will not do. - Then?
Both of you will also have to come.
"Dear, both of us cannot come,
Sameer is there. "

Sameer will surely come.
"All the best, dear. "

"No, because they are blind they... "

...brought me here thinking
that I was Sameer.
"I did not want to hurt them, you... "

...also please don't
tell them anything.
For some time even I will get the...
...love of grandfather
and grandmother.
"And yes, best of luck for
the dance competition. "

I will pray to Lord that
he should make you win.
"Thank you.

- Bye. - Bye, see you. "

"What were you searching for?
- Four anas, it had fallen. "

I was searching for it.
He is saying that you had not
come in this room yesterday.
When did he say?
"The wind was blowing,
the four anas... "

...must have come here I
will look for it later.

"Listen, what were you searching for?"

"Me, nothing.

- If I will hit you even once. "

Then you will break up into pieces.

I told you that I was not
searching for anything.

You people.

- Have you ever seen a gang?

No.

- Do you want to see? - Okay.

You don't know what a big
mistake you all are making.

If I hit you even once from the
back of my hand you will die.

There is also no hospital nearby.

I will go I will go.

I will go and teach him a lesson.

I understood.

You go.

- You are the hero.

That is why I don't want
to get beaten up.

Let us forgive him.

- You can go we forgive you.

You give and look for
your four annas.

"You lizards, gang bang. "

I banged the whole banged together.

"Get up, it is your good luck
that I am not well today. "

Otherwise I would have beaten...

"... so badly, I would have bitten
you so badly, get up. "

Get up.

Seems like the blind man has put...

...together an army or eunuchs.

Wait!

"What did he say?

- He is saying that, wait!"

I'll show you. - Take this kick!

- Did you see Superman?

This is called gangbang.

What were you searching for?

A suitcase and the key to its lock.

You work here isn't it? Don't
you know where the suitcase is?
The old man. The old
man is very cunning.
He can hide the suitcase anywhere.
"Mannerless, aren't you ashamed... "
...that you call your master cunning.
Come on get out of here.
Or I will put you in the cooker
and sound the whistle.
Tell him to talk with respect okay.
Stupid he is talking to you
with respect. - I see.
"Aren't you ashamed, the house... "
...where you grew up you
look to break that house.
"You Shakti Kapoor, and
you are doing that. "
I will see everybody.
- First take...
...your hands out of your
pants then see everybody.
Leave him. - Made me Charlie
Chaplin from a snake.
Suitcase.
- Suitcase. - Suitcase.
I don't even have one percent time.
Tomorrow there is a
dance competition...
...and I have to practice for that.
Dance competition.
- Dance competition. - Quiet.
Grass cutting competition.
"The bungalows that are here, their... "
...owners have arranged a special
competition that is all.
Grass cutting competition.
"Tell me the truth, otherwise
I will beat you up so badly. "
That even when you will stand up.
People will say that how
well he is dancing.
No there is a dance competition...
...in which I am going to take part.

With whom?

- Niraali. - With Niraali.

Where did he go?

- Let him go.

Leave it.

- Yes. - You don't have...

...any interest.

- No. - Good.

What happened to the music?

- Why are you asking me?

What is happening Monty?

- How would I know?

Please go and check it right now?

- Okay I will go and see.

What the hell.

"There is something-something
in my heart. "

"There is something-something
in my heart. "

"Please stay in my
heart my beloved. "

"Please don't leave me my beloved. "

"Please stay in my
heart my beloved. "

"Please don't leave me my beloved. "

"Please stay in my
heart my beloved. "

"Please don't leave me my beloved. "

"I have made a place
for you in my heart. "

"You please stay, please stay. "

"Please stay, please stay. "

"Please stay in my heart. "

"You please stay, please stay. "

"Please stay in my heart. "

"Please stay in my
heart my beloved. "

"Please don't leave me my beloved. "

"Please stay in my
heart my beloved. "

"Please don't leave me my beloved. "

"I have made a place
for you in my heart. "

"Please stay, please stay. "

"Please stay, please stay. "
"Please stay in my heart. "
"Lest go till the sky, let
us go and touch the sky. "'
"Let us explore the
world of dreams... "
"... until our heart is content. "
"The rhythm that is
there in our heart. "
"With that rhythm let us win over... "
"... the world and make them
dance to along us. "
"Listen' listen always to
the heart my friend. "
"Please stay, please stay. "
"Please stay in my heart. "
"You please stay, please stay. "
"Please stay, please stay. "
"Please stay in my heart. "
"Please stay in my
heart my beloved. "
"Please don't leave me my beloved. "
"Please stay in my
heart my beloved. "
"Please don't leave me my beloved. "
"I have made a place
for you in my heart. "
"Please stay, please stay. "
"Please stay, please stay. "
"Please stay in my heart. "
"Please stay, please stay. "
"Please stay in my heart. "
"Save me, save me. "
Where are both of them?
"Sanju, doesn't Vasuli
look exactly like Sanjay Dutt?"
"Look, look I have the money I swear. "
"I have it in my pocket,
sorry it is... "
...not in my pocket I have given it...
...to my friend for safe keeping.
"They are there, here. "
They were playing here just now.
"That red cap, red cap, red cap. "

You are the rightful
owners of this win.
Where are the remaining three.
The remaining three.
- Yes.
They are only my supporters
I am the main person.
I don't now what would
have happened...
...if you all would not have
come on the right time.
Maybe you had prayed to God with...
"... a pure heart for my win, isn't
it? - Yes, with a lot of honesty. "
By the way I am an artist.
- Yes.
And you?
- I am very interested...
...in painting and dancing.
But just with art you cannot run...
...a home.
- Yes...
That is why I even do
fashion designing.
My mother was a collector.
- Ticket collector.
"No, no a IAS officer. "
I spent my childhood in richness.
Then why did clean utensils
in grandfather...
...and grandmother's house?
Because my mother wanted me
to also become a collector.
And my want was Sadhna.
- Your girlfriend.
"No, no I mean the devotion
towards art. "
That is why I decided
that no matter...
...how much I would
have to struggle...
...I will never ask
my mother for help.
I believe in goodness

and truthfulness.
That is very good thing.
I like good and truthful
people very much.
Do you even like me then?
Did you forgive him
for the lies he told?
You had that dance competition...
...I don't know why he was so envy.
As soon as your show started he...
...cut the speaker wires
and took the CD out.
Isn't this the one?
- This.
I will keep this.
- Leave it.
And said now I will
see how she wins.
"Then I explained to him, you
fool the show must go on. "
All the dance that I thought
you when will you use that.
"And I pushed him, that is
when started dancing. "
"Then I explained to him, that
now go and say sorry to her. "
"You said sorry to her, thank
God you forgave him. "
You see I cannot withstand lies.
You cheater! - He is joking.
- Shut up! - He is joking.
He is a very funny person.
"Niraali, there
is a lot of space... "
...on my bike you know that.
Should I give you a lift?
There is a lot of space
can I also come?
We all three will dance and
you will take the girl alone.
Vasuli.
"Stupid, here take ten rupees. "
It is 'Nag Panchami' go
and drink some milk.

Was saying that I knew every corner of the house.
"Nothing, you all can do nothing at all. "
I will have to do everything.
Go and do.
Why are you crying like a girl?
Show some anger.
Are you a man or not?
Gopal made such a big fun of you.
And you kept quiet.
Did your mother gave you education for this?
She only gave me education.
You did not let me give the exams.
We had left you alone for giving the love exams.
And your love story was about to be created.
And he ruined everything.
"Who ruined it, that stupid?"
But in front of Niraali he even insulted you.
At least I made a hole in Monty's car.
"What did you do?
- Dance. - Dance, yuck. "
All you did was cut the wire.
He took advantage of my good will.
"Listen cut hi, cut him.
- Wire. - Are you an electrician?"
Cut Gopal.
- I cannot cut anyone. - What?
You cannot cut anyone.
Did you forget what all he did with you?
He snatched your room.
And after coming here he even snatched your food.
He even snatched your life.
He even snatched your Niraali from you. - Correct.
And do you remember that night.
When you did not have a

blanket to sleep with.
Do you know where that blanket went?
Who took it? You lost the
blanket because of him.
If I would have been in you place.
"I would have bought a death
cloth for him, a death cloth. "
Then come in my place.
I don't even have money
to buy poison.
You are crying for
such a small thing.
"Such a small thing, I
am there, your friend. "
I will give you money
for the poison.
Really I am telling you the truth.
Really.
- Yes. - Then okay.
"Tea, tomorrow his morning
tea will be his last tea. "
What are you doing?
- Dance.
Gopal.
- Yes. - Gopu. - Say!
Hot tea.
- Give. - Drink it. - Go from here.
Why are you staring at me like dogs?
Have you seen my face
for the first time?
"For the last time. - Why, are
you committing suicide again?"
Gopu please don't do
so much hard work.
I cannot see it. You please
down for some time.
You flop actor.
- What was the...
...need to call me a flop actor?
Whether I lie down or sit down...
...what difference does
it make to you.
"You are right, whether
you lie down... "

...or sit it does not make
any difference to me.

But finally you are
going to become late.

Late Gopal.

- Madhav please don't trouble him.

How are you feeling?

I am feeling as if two mice's
are making noise in my ears.

He can hear noises.

- What else is happening?

Just once I propose to Niraali.

Then I will start a family.

"You don't think about Niraali
and the family, I am there. "

How are you feeling health wise?

"Health wise, health wise some
thing is happening to me. "

My right hand is itching.

"Right, first the left
leg will itch, then... "

...the right then the whole body
from the head to the body.

"You do, don't you know what I
do when my right hand itches?"

"No, I beat everyone up. "

"No Madhav my brother, don't hit him. "

He is alive only for
a few moments now.

Come here you fool.

"You hit, you hit if you want
to die by hitting some one. "

You go on hitting.

What are you doing? Why
are you hitting so hard.

What are you doing? This is the...
...place where I wear my glasses.

Why do you take everything
so seriously?

Laxman what did you do.

If he carries on hitting
us like this.

We will die before him.

"You stupid people, you are

troubling me since morning. "

"I asked for tea, there
was only empty cup. "

There was no tea in it.

What happened?

Who is it?

Seem like he drank the tea
that was meant for Gopal.

What happened? What is he saying.

He is saying that the tea Laxman...
...had made for you in that...

- I had...

...brought ice specially for Gopal.

And I had put spices in it
and also red chilly powder.

Are you making tea or a delicacy?

Who?

He will not die so easily.

"I know those fools,
even the poison... "

...must have been a fake.

How will they save?

Till when will they save themselves?

What is it? Grandfather.

What happened to your voice?

I have a sore throat grandfather.

"Tel me one thing, what is the time?

- 12:

"Oh, it is already 12 o' clock. "

12:

"After that 12:

How is this? - No grandfather

I don't wear flowery garland.

And I don't have that habit.

"This is not for you, it
is for your grandmother. "

"It is valentine's day.

- Yes, yes. "

How will this be? Is it nice?

- Yes.

"Okay, okay. "

Nothing's gonna change
my love for you.
Is it okay?
- From where did you...
...get the thought of giving
me a flowery garland?
I knew that you would forget.
"But I have not forgotten,
happy valentine day. "
"Today is valentines day, that is... "
...why I was thinking that why are...
...you giving me this flowery
garland so lovingly.
Happy Valentine's day.
How am I looking?
- You are looking very beautiful.
We used to express on the
auspicious day in our days.
"What can I do times have changed,
modern times. "
On valentines day when the boy
tells his girl I love you.
Then even the girl does not refuse.
She accepts it and also
says I love you.
What will Sameer say if he hears?
What will he say?
He will say that even
my love should...
...grow with life just like
grandmother and grandfather.
"Tell me one thing, is Sameer
really interested Niraali?"
You are...
"No, she really a very
nice girl Mangala. "
"She is very nice, whoseever
house she goes. "
He will be very happy.
"That means I will have ton propose
to Niraali tonight, Hi. "
"They are mad, they are saying that... "
...I should go and propose
to the girl tonight.

"Is that possible? - No. - Shall we sleep. - Yes, come on. "

"He is right, going to a girl's in the night. "

That will make a very bad impression.

"Bad idea, we should go and sleep. "

You go I will just finish my work.

- Come on.

Will we sleep together?

- Come on.

Come on today is valentines day.

"Golmaal"

"Golmaal"

Niraali.

- All of here at this time.

What is all this?

- Today is valentines day.

And it is already 12 o' clock.

- So?

So we have brought a gift for you.

You go.

- Go. - Here.

What is it?

- Pickles.

You like grandmother's hand made pickles very much.

That is why I brought it myself.

And also this.

Will you go?

- No.

And this is from me.

- What is it? - See it for yourself.

"Please, with love.

- Toilet paper. "

You brought toilet paper for me.

If he brought this here then what will we I in the morning?

You think what will you do?

- Yes you are right.

You don't see the toilet paper.

"See what is written on it, that is not a design. "

"Yes, there is something written. "

"Looks like a contract.
- Yes contract, contract. "
"Look, when Nirrali when
I will make my first film. "
Then you will be the
leading lady in it.
And there will be a complimentary...
...air ticket for your mother.
And these two will be
the villain in it.
Please keep it carefully.
It's my heart.
"Can I go?
- Go, go nothing will happen. "
Now what have you brought?
Rat poison. - I want you to
give it to me yourself.
And kill me.
- What?
"Yes, this is not a living. "
All night I cannot sleep.
"If I try to sleep in the morning,
I see you preparing food. "
Taking care of grandfather
and grandmother.
He wants a maid.
"When I go on the terrace, I see... "
...you drying your hair in the towel.
I cannot live like this.
You kill me by giving me this.
What are you doing?
Why are you troubling Nirraali
for such a small thing.
"I am there, I will give
you poison and kill you. "
What are you saying?
- I am helping my friend.
What is it now?
- If you will give us an answer.
Then there would be.
- A settlement between us.
How can I give an answer
in just a minute.
This is the question of my life.

I will do one thing.
I will come to your
house at 2 o' clock.
There I will say that who I love.

"It is 12:

and a half hour left. "

"We will wait, take your
time, take your time. "

"Not now, tomorrow afternoon
2 o' clock, tomorrow. "

We will have to wait
for a long time.

Give it to back.

- Here.

Tomorrow when you come please...

...bring the bottle of poison along.

If it is yes then they will use it.

"If it is no then I will use it.

- Yes, of course. "

"Now bye.

- Okay bye. - Bye. - There, there. "

"Please read the contract.

- Yes, yes I will read it. "

"You, what are you doing here?"

Since when did he start
flirting with her?

You have brought a cheque.

You want to buy Niraali.

You are even worse than them.

Does he even have an account?

You have come to buy me.

"Get out I say get out.

- Get out, get out, get out. "

What are all of you doing here?

You also get out.

Get out of here.

God.

Since when did you start
flirting with the girl?

And what is the use
of flirting with her.

Will you take him along
for romancing her?

I will not go.

- I only said.

You even started talking
after seeing the girl.

"I wrote, that you did not know till
today that I couldn't speak. "

That is why you misunderstood me.

I am not like you all.

- Okay.

Mangala.

- What happened?

What happened to your voice?

- I am Sameer.

Didn't you have sore throat?

- Now it is fine.

It is fine? I thought that
my wife has sore throat.

This old man is so boding!

"If I give a raw mango to him, it
will get converted into ripe mango. "

Get rid of him! Niraali
is going to come.

Grandpa.

- Yes.

Your walking stick.

- Walking stick? Why?

Don't you want to go out?

- Out!

No! Why are you sending me out?

Somebody is coming?

Who? Nobody!

- I see! Niraali is going to come!

He is blind and this is the state.

If he was able to see...

Then I would have
seen who is coming.

It implies Niraali is going to come.

"Now dear, I won't go anywhere. "

Wow! Let Niraali come.

"Grandpa, Niraali is
not going to come. "

I too used to get rid
of my father like this.

"Father, go to temple.

Go to the temple. "

Did you have a love marriage?

"Yes, dear. It was the first love marriage of an independent India. "

First one.

- What about grandma?

Grandma too had a love marriage.

Grandma too had a love marriage.

"No, you... how did you enticed grandma?"

Entice... is a wrong word.

I mean to say how did you do that...

...that expressing your love to grandma.

"Expressing love? That is an interesting story, dear. "

Will it take time?

"No, but you will have to hear it out. "

I used to go to the jungle in the morning. At 6:30.

There were no bathrooms at that time.

Fool! Not bathroom. I used to go for a walk.

My destination was in the jungle.

I see. Mangala in the jungle.

Shut up! And follow me!

Grandpa's love story is running too long.

Even Kumar Gaurav's love story didn't run so long.

Hey!

How long will we have to walk?

Hey! Walk quietly! Did I tell you to come in the flashback?

"Yes, grandpa. What happened next?"

"Then a turn came in my life, dear. "

What are you doing?

- Cow dung.

She looks like the heroine of an art movie.

But she is our lady. It's just that she is looking young.

Do you come here everyday?
You too pass this way everyday.
Why didn't you come yesterday?
Yesterday was Monday.
- Monday?
The cow doesn't give
the dung on Monday?
I go to the temple on Monday.
I have kept the fast of 16 Mondays.
My mother says that I
will get a good groom...
...if I fast for 16 Mondays.
When you have found Somnath...
...then what is the need to fast
for remaining 15 Mondays?
Wow! He is flirting with her!
"Why do you hover around
me like a bee?"
"Why do you glance
at me so eagerly?"
"Why do you hover around
me like a bee?"
"Why do you glance
at me so eagerly?"
"Are you crazy about me?"
- No. "
"Are you some lover?"
- No. "
"Are you crazy about me?"
"Are you some lover. "
"At least tell me what work
do you have with me?"
"Tell her that you love her. "
"Why are you standing silently?"
"If we had been at your place,
we would have said it. "
"Why do you hover around
me like a bee?"
"Why do you glance
at me so eagerly?"
"Why do you glance at my window?"
"Why do you talk only about me?"
"Why do you glance at my window?"
"Why do you talk only about me?"

"You come for my sake.
- No. "
"You sing songs.
- No. "
"You come for my sake. "
"You sing songs. "
"What lies in your heart?
Only you know that. "
"Don't feel shy. "
"Call her near you. "
"If we had been at your place,
we would have called her. "
"Why do you hover around
me like a bee?"
"Why do you glance
at me so eagerly?"
"Why are you carrying a
gold bangle in your hand?"
"I will give it to you and
take you to my courtyard. "
"Will you make me your beloved?
- Yes. "
"Will you love me immensely?
- Yes. "
"Will you make me your beloved?"
"Will you love me immensely?"
"Today I say that I love you. "
"After expressing it,
where are you off to?"
"You should have thanked me. "
"I hover around you like a bee. "
"I glance at you so eagerly. "
"Are you crazy about me?
- Yes. "
"Are you some lover?
- Yes. "
"Are you crazy about me?"
"Are you some lover. "
"Today I say that I love you. "
Then only did we get married.
"This is the story of my love, dear. "
Over?
No! After marriage
for the honeymoon...

Grandpa!

- Yes.

Grandma had actually called
you to the temple.

I think you have got bored.

"No problem, dear. I will
go to the temple. "

But remember one thing
in the matter of girls.

"Your muscular courage...

- Give us, God. "

"Yes. Grandpa is there otherwise.

Good luck, dear. "

"Thank you, grandpa. "

"All the best.

- Thank you. Thank you, grandpa. "

Don't lose hope.

I will go and shave.

How many times will you shave?

"Not I, he is saying that. "

Go and open the door.

Who would have come at this hour?

Niraali!

Good...

Hello!

- Yes.

Listen!

- Yes.

I think I have seen you somewhere.

"No, you must have seen
me from behind. "

Many people think the same thing...

...when they look at
me from the back.

Listen to me!

- I will send somebody!

Whom will you send? Why
don't you look at me?

I am looking at you. But since
you too are turning around...

Okay! Okay! Okay! I will
stop turning around.

But why don't you show me your face?

No! I can't show my face

to anybody! - What!
Yes. I am going to become a father.
And I am still not married.
- What!
I will go now. I have
to go to the doctor.
At least tell me where
has Somnath gone?
He has gone to the temple!
- He has gone to the temple!
Why are you applying soap
all over your face?
You have hair all over your face?
Great!
At what strange places do
people have hair growth!
"Tell me, Somnath... "
He too went to shave?
"Golmaal. Golmaal. "
Who is there?
I am the dean of Vicky- college.
I want to meet Somnath.
Have you ever met Somnath?
No. I have never seen him. I
have only heard about him.
I am Somnath. Tell me.
Really? You are...
But just now a boy said that
you have gone to the temple.
He is my servant!
I was going to the temple.
My wife's broken sandals broke.
So I came back.
I am blessed or meet you!
Are you blind?
Yes! So what will you do!
Nothing! Nothing! I
am sad to hear this.
I have heard a lot about you. A lot.
You were in the air force.
Then you became the advisor in...
...our college after the retirement.
Of Sanskrit. Our entire
college loves you a lot.

"Fine, fine. Have a seat.

- Thank you. "

Be careful!

- What happened?

There is a table.

Are you really blind?

Don't you see that I can't see!

- I can see!

Do you see the clock?

- Yes.

Not that! This one!

- I see! This one.

I can't see it!

- I can see it.

What's the time?

- **7:**

Not there! Here! It is 11:00!

What's the time!

12:

I don't know what the time is!

- I can see it.

Now do you believe

me that I am blind?

"Don't beat me, sir! Sir,

don't beat me!"

"Now tell me, what work did you have?"

"Actually sir, our college

has completed 50 years. "

For that we have organized

a function.

"I have come to personally

invite you, sir. "

What? What program is there?

First there will be a dance

of 'Pooja'.

Who is Pooja? Who is Pooja?

Pooja! Pooja! Archana!

First decide whether it

is Pooja or Archana!

"Not girl, sir! Not girl!"

That veneration of God!

- Then?

After that the drama that you had
created for patriotism in Sanskrit.
A program of that. After that...
You spilt! You dare to spilt!
After that a cultural...
program... cultural.
Don't you have a beauty contest?
- Beauty contest?
Beauty contest! Fool!
Beauty contest!
I will ask the committee
and let you know.
"Not committee, I want
the commitment!"
I want the commitment! Otherwise!
Who is there?
I think there will be a snowfall.
"Greetings, aunty. You too are
blind? You too are blind?"
Do you think that we both...
are playing 'Black' here?
No. I thought that you
both are playing white.
Where is the belt in your neck?
It was hurting me. So I removed it.
But how did you know that
I wear belt in my neck?
I know everything about you!
Aren't you flirting
with that Rosy ma'am?
I will leave now.
You want to leave? Won't
you have a drink?
I don't drink!
- You don't drink?
Fool! Even I don't drink
during the daytime.
"She is talking about tea! Tea!
- Yes, talk. "
You are asking me so lovingly.
So please make tea.
Shameless!
I am blind and you want
me to make tea for you!

Go and make tea for everybody!
The kitchen is there!
I don't know how to make tea!
Then why are you sitting here?
Fine! Fine! I will leave!
I will leave!
Are you going there to beg!
The way to go out is there!
There! Okay!
Get out! Fool!
At least give the card!
- Here.
You take this. - No! No! I don't
know how to read this book.
Read it with Rosy.
- No! No!
Take it! Take it!
You guys beat a not!
Hail Mother Mary!
Hello! Hello! Hello! Hello! Hello!
Hello!
I am Sameer calling from America.
Who are you? Who are you?
I am Pandu.
"Look, Mr. Pandu or whoever you are. "
Tell my grandpa that I am returning
form America today.
My flight will land
at 1.30 in the night.
No need to come to the airport.
I will come on my own.
"What happened? Gopal, what happened?"
Sameer is coming.
- What! Sameer is coming!
Sameer is coming!
Sameer is coming! Everybody
is saying the same thing!
Did you see this!
I had told you all!
Someday we will get
stuck because of him!
I am leaving!
I say that you all too pack
your luggage and leave!

How can we leave like this?
We should find such a house too.
Where there are two old people!
Both are blind!
And they don't have any relative!
It takes time to find such a house!
You guys are worried
about the house!
This might become a police matter!
I will not listen to anybody!
I am leaving!
Shut up! Let me think!
We will find of some solution!
Box!
- Box! - Box!
It must contain something precious.
Yes. Like how they
show in the movies.
"Open the box. And it contains
jewels, diamonds and gold!"
Are you planning to
steal this? What?
"No, Gopal! No, Gopal!"
"Gopal, what are you doing?"
"Madhav, explain to him! No, Gopal!"
Have you guys gone mad!
"The family that gave you
love, and shelter... "
...you will rob that family!
We are not robbing the family.
We are taking the box!
You understand what
I am trying to say!
I think you shouldn't steal!
We are not stealing!
We are checking!
"If we found something,
then we will... "
...take the loan and then return it.
"Gopal, this is sin!"
"Look, this door is also not
opening! God too is saying no, Gopal!"
"Listen to me! Gopal, no!"
I see! It opens from that side!

I still say that this is wrong!
- This is right!
"If it contains some treasure,
then I will make a movie... "
...and I will sign all of you!
"Buddy, first let me open it!"
"Stop, dear. You will need
the key to open it. "
We... I was just looking at it.
I will tell you what it contains.
This is your compass box.
You were 6 years old when
had insisted on it.
And look at this. Gun. For 'Diwali'.
"You used to run all over the
house, shooting the gun. "
And this is your car.
You used to roam the entire
courtyard with this.
You used to play with
this the whole day.
"What is this, grandpa?"
Ashes.
Whose?
Sameer's ashes.
My grandson was born in America.
We were craving to meet him.
"But 2 years ago, in an accident
we lost our eyesight. "
"With great courage, I told my son... "
...everything about our accident.
He couldn't endure it.
And he left to come
here along with...
...my daughter-in-law and grandson.
He was driving to the
airport in his car.
He met with an accident on the way.
Nobody survived.
My son... my daughter-in-law...
my grandson. Nobody.
I couldn't tell Mangala this thing.
Otherwise she would have died.
Only I had to endure this shock.

My commissioner friend
made arrangements...
...to send me to America.
And there with my own hands...
...I performed the final rites
of my entire pedigree.
When I returned from America...
...Mangala started asking me...
"... how is our grandson, how grown
up is he, does he talk... "
...and have you told him about me?
What would I have told him?
What could I have told her?
I didn't have the courage
to tell her the truth.
Everyday I used to say that
I will tell her today.
I will tell her today.
"Then... on the day I decided,
God send you as Sameer. "
But I had realized that
you are not one but two.
"And gradually I realized that
you all are not 2, but 4."
But I had no qualms with your lie.
Because Mangala was very happy.
She was very happy.
But... if you left now...
...then God knows what
she will go through.
She will shatter completely.
I am saying the truth.
What is left to shatter down?
You... such a big betrayal!
These... whoever they are...
I am not angry with them.
Because they are outsiders. But you!
You... didn't even let me...
...perform the final
rites of my children!
I wanted to embrace Sameer...
if only for the last time.
On my lap.
You all... who are you all...

who gave you the right...
...the right to play with
an old couple's emotions!
You all have committed a grave sin!
Such a grave sin for which there
is no punishment in this world.
I have planned all this.
They are not responsible
for all this.
Only I am responsible.
Consider it my mistake or
immaturity that I came here.
But a greater mistake is that...
...the love and family that I
searched for all my life...
...when I found that
in you both then...
...I couldn't recognize that.
And I hurt both of you.
Whatever punishment you
give... I accept it.
I love this old man.
Uncle has helped me a lot.
Give me the urn otherwise I
will thrash you all so much...
...that even the beggar will
refuse to give you alms.
Why do you want the urn?
What happened?
Give me one chance to atone for
my sins. Trust us. Laxman.
"Grandpa, come. Come. Grandma, come. "
"This way, grandma. Come, come. "
You did the right thing
by sending uncle inside.
What do you want?
- The urn.
This?
- Yes. - Take it.
"Boss, these are the same 4 guys... "
...who had thrashed me thrice.
I have never seen him before.
Did you get thrashed
at the wrong place?

"No! I swear on you, Babali-."

Babali? Who?

- He is the one.

Imagine! Gabbar Singh's name
in 'Sholay' is Sweetie.

Keep quiet! Fire!

Don't fire!

I heard everything.

I swear on Sameer's ashes.

I am with you guys in this fight.

So you have changed the side!

Fire!

Forgot to get the bullets!

Forgot to get the bullets!

"If the bullets are at home, then
will you play hockey with this?"

Thrash them!

What are you staring at! Go up!

Switch it on!

"Golmaal. "

"1, 2... "

"Golmaal. "

"Golmaal. "

Gopal!

Hang on! Hang on! Why
are we fighting?

You are not interested in the
ashes. Do you want the urn?

Yes!

- Why?

"Look, this matter is between us. "

"Come, sir. "'

"Excuse me, sir. You
cannot go from here. "'

Diamonds!

- Diamonds! - Diamonds!

"Hold this, boys!"

What have you done!

"He asked for it, so I gave him.

- Fool!"

Madhav!

I have been searching for
you guys since a long time!

I have been running after you!

Why do you want to ruin my career?
Nobody comes to my garage.
My wife has refused to come
back from her maternal house!
"Please, return my money! Please!"
I am really sorry.
You know I had come in
the scorching heat...
...without any slippers
to return your money.
And you know what happened?
- What?
He robbed that money.
Really? Return his money!
When did I steal it! I have jut met!
Don't act smart! Return the money!
Who are you? The landlord!
- Tell him.
Look! He is Mr. Vasuli.
And he is Mr. Babali!
Babali!
- Babali!
We will tell him to tie us 'Rakhi'.
"Hey, Babali!"
Babali!
Why are you laughing!
"Golmaal!"
"Golmaal!"
"Golmaal!"
Who is it!
Gopal!
Grandpa!
"Babali-, it doesn't come
out! It doesn't come out!"
"Gopal, what happened?"
Sorry! Sorry!
Blood!
What a nice...
Don't touch it!
- Okay!
What happened?
- He too...
"It's really deep, man!"
- What happened?"

"Everything is all right now.
Come, commissioner sir. "
Commissioner sir... I know what
their punishment should be.
After seeing what they
all have done...
...all the four will live with us.
- What!
Yes. You all four will live as the
Shravan of these blind parents.
And Nadeem too.
- What?
You all will receive your
reward within 15 days.
Reward? For what?
Reward because you all have
nabbed a dangerous...
...gangster and got the diamonds too.
So you will surely get
the 100/o of that.
Great!
- My money!
They see rich people and they
start begging. Get out!
"Greetings, grandpa. Greetings,
grandma. "
You have come to take pickle
in the hospital too.
"Grandpa, you too!"
"Tell me, which naughty guy have... "
...you chosen from these
4 naughty ones?
I am here. Where are you
going? I don't mind.
Lucky.
Doctor!
But he can't speak!
I know that he can't speak.
But I wanted such a husband...
who would listen only to me.
And he himself should remain silent.
Excuse me. Excuse me.
Do you have a sister?
"Yes, I have. But she

is 7 years old. Why?"
We will have to wait
for a long time.
"Golmaal!"
Action!
"Is something fishy!"
"We are troublesome, baby.
We are great!"
"Be careful! Be careful!
Be careful!"
"Otherwise we might lose the heart. "
"Be careful. "
"Golmaal! Golmaal!"
"Golmaal! Golmaal!"
"Golmaal! Golmaal!"
"Is something fishy!"
"We are troublesome, baby.
We are great!"
"Be careful! Be careful!
Be careful!"
"Otherwise we might lose the heart. "
"Be careful. "
"Golmaal! Golmaal!"
"Golmaal! Golmaal!"
"We want to put the money.
We want to put the money. "
"We want to put the money.
We want to put the money. "
"We want to put the money.
We want to put the money. "
"Neither the heart nor we are bad. "
"What can we do if
this world is bad. "
"We teach them what they taught us. "
"Let's have some fun. "
"Golmaal! Golmaal!"
"Golmaal! Golmaal!"
"Is something fishy!"
"We are troublesome, baby.
We are great!"
"Be careful! Be careful!
Be careful!"
"Otherwise we might lose the heart. "
"Be careful. "

"Golmaal! Golmaal!"

"Golmaal! Golmaal!"

"Golmaal! Golmaal!"
