Please respect the
What is it?
There is no
You know?
Deadly unknown environment
I see his name Lii
Kohaku
It's time we should start a second attack?
Yet his time
After two days, everything will come to an end
Now we will destroy S.W.O.R. D
So
Excellent
Hey, if he's a doctor?
Don't worry, she's good
Unless he is drinking
Don't talk much
Amamiya, why don't you help us
Onii-chan
Lala
Onii-chan, are you alright?
Onii-chan
Don't worry she is fine
Call me when she was already aware of
Hey
Give it to him
But
If you continue like that your sister is going to die
I know
I have a lot of time with him
But
He said the family is more important than kehidupan
Annoying brother
Although we are not sisters
We only hold 1 day
Lala
He seems to have never seen Kohaku
What finally happened
I can't end it like this
MUGEN will forever
Did you hear that?
Agree

I also
My brother
I'm not going to hurt rekan-rekanku
There must be a reason
This is really a very different world
In the evening, will be shining brightly with music and light
If they disappeared, would be empty
I thought you were like that
Kohaku, right?
Who are you?

I:

Have the information you want
What do you know?
How do you feel?
Don't panic
I know about
People who kill your friend
Kohaku
The talk is over
Do you know who actually is?
Who killed your friend
He is Kuryu Group
Kuryu
To destroy the Mugen there was one goal
My father was the boss in Jangseong
Based on the SWORD
I'm planning to overthrow Kuryu Group
In other words
Our interests
Is the match
Take it away
Hand it to doubt
Don't make the mistake
Justice is punishment
For the sake of receiving S.W.O.R. D
I'll destroy Kuryu Group
Tsukomo. I can't believe it
Come
Are you anywhere?
If he can go home, please contact me
He is not stable
The leader of the so
You have kindness

Two more days
The leader of the Mighty Warriors and Doubt with 500 more members
Going against the S.W.O.R. D
What's the purpose?
Revenge against Kuryu Group
Kuryu
Wait
Why should revenge
Brother Tatsuya, assassinated
What
But
I saw he was hit
What are you talking about?
Naomi
Kuryu
Cobra
For this there are
This is going to end up
You can help me to hand it to Kohaku
I've got something for you?
This person
Did you know?
He is my brother?
What you should know
I would like to ask for your help
Yes
Save my sister
He's just my brother
Where do you go
Elegant expensive
I'm really unbearable these days
Current problems
I hear talk of our brother
The sister of Smoky brought pegi
What
If we put him out of the
He may tell us a clue about Big Brother
Find out the things that almost all
Imai
You trouble
I also want to protect the environment
But
We are ready to take a lot of
This is for you

Food-bol
This looks good taste
But today's special
Instead of the usual
Why kauingin know the SWORD
The city is
The Scout Group is involved
Have you heard about the developers to do it again
What kind of thing it
A few years ago,
He had planned to tear down this area
To build a giant casino
At the same time
Untapped Sannoh Rengokai and several surrounding blocks
There are also plans to carry out the conversion of the entire
Construction of the Casino will bring great benefits too
Scout Group estimates exactly for this purpose
Will do anything to close the Mugen
So when Tatsuya died
It's not a Mugen
Although there is no evidence
But make sure that the Scout Group the killer
And
Even if we have proof
Their is no way to set it free
Could it be
Yes
Police and Scout Group
Compromise secretly
I did not expect that the police involved
But even MUGEN dissolved
Then out of the SWORD
So they flipped the SWORD
If so, then the SWORD was destroyed
The Man Scout Group
We will think of a way to get rid of Kohaku
However
I still don't know
How Kohaku could engage
Do you want to ask
Yes
In between
I am afraid that
Mafianya is orangg out

Here is just my own speculation
After Kohaku is planning to remove the SWORD
Then
Will be a foreign mafia and competing with Scout Group
This is the original purpose of Kohaku
It's all about revenge to the SCOUT Group
However
If people come
The whole block will be dark
Naomi
Tomorrow is the anniversary of the death of her brother
His brother
His brother
I never wanted to take revenge for him
So
You have got to stop to Kohaku
I know
How do you not have confidence in yourselves
Ugly people
I'm going to kill you
Good
We will find a way
Do not cry
Yes
Where do you want
Fine with me
See you
Don't bullshit
This will not be difficult talking to a fellow
We will not leave our colleague casually
When the threat comes
We can work together
You forgot
What you both used to be you guys say
It's just that
I don't want to if you are injured
What
What is this?
I loved the atmosphere of this
A man died and his identity is unknown
This fight
I had to take my life
Rengokai Sannoh has members prepare it
Let's collect the power

The Chairman of the
Why don't you guys come along
Hey, Cobra

You've got a lot of people
What do you mean?
Us out
This is a dangerous fight, should not involve them
Murayama
The Chairman of the

Complicated. I could not control any further
Do you think I do not know?
When you are conscious, you would ask for something
Criminals rammed our car
Everything is wrong
That I

I do not destroy mugen
Tatsuya is dead

It's not you
I will not remove my mind
After all, what things will be back
I can not forgive Tatsuya die
When he was in a coma
I feel like in hell
After that day
My time is stalled
Therefore we must take revenge on the Kuryu
I will fight to Kuryu Group falls
Tsukomo
I did not mean to ask you

A:
